

HPHC Andorra: Settlement Ceremony of Cheon Shim Won Prayer Hall

March 12, 2022

We conducted the Settlement Ceremony of Cheon Shim Won Prayer Hall in our new Peace Embassy.

Andorra blessed families and families from Spain who helped us to restore the place, have gathered for the ceremony.

It is very nice for us to have our own small Peace Embassy finally.

We are very grateful to our True Parents that Andorra could also receive the Cheon Shim Won Prayer Hall.

We are small in everything and members work full-time but we do not stop in doing our responsibility.

We will do our best to follow True Mother in this difficult time around the world.
