## WFWP Italy: Prestigious speakers share on the topic Sport and Peace

Elisabetta Nistri April 20, 2022

Prestigious speakers were invited to share their activities and their opinion on the topic 'Sport and Peace' including university professors and a Catholic Monsignor. WFWP Italy President Elisabetta Nistri used this opportunity to share about some Italian activities in cooperation with UPF S. Marino, like 'Football for Peace'", that took place every year until 2019. The project consisted of inviting young girls from Palestine and Israel with their professors to San Marino where they were welcomed by the Regents and by their siblings to play football together.

Elisabetta also shared about the project of the Peace Road and particularly about the event on the Balkan peninsula. At the end she shared her experiences organizing annual summer camps for the youth, and how much sport can be a tool to create partnership, friendship and a way to challenge each one to grow more and overcome personal limits.
