Reflections

Dr. Wouedjie Thegue Alice Nora (University Lecturer PHD): «I am very impressed with UPF mission and actions on the field especially that of restoring couples and families; I wish my couple will found its way out of troubles through UPF.»

Dr. Ntonifor Helen (PHD, University Lecturer and special advisor at the ministry of Scientific Research):" the presentation was very rich, deep, well prepared and lectured methodologically; although I am a University lecturer, this was of high quality with clear explanation, it was truly and really convincing. As the new nominee I will do all my best to be up to the task of an Ambassador for Peace.

Pastor TOSI Ezekiel: My wife and I really lack words to appreciate the lecture given by Rev. Fongoh, it's really the truth it is too big to for a man to understand and master this for a little time given. We have to found time to go through the lecture."
