

Life beyond Life

Bergamo, Italy, 4. November 2016

By Franco Ravaglioli

After the series of meetings dedicated to the welfare of the soul and body, the Federation of Families, the Women Federation for Peace and the Universal Peace Federation organized in Bergamo, at the Hotel Donizetti, an evening meetings cycle on the theme: "Life beyond Life".

The first evening, which took place on November 4, 2016, Adosco Comito, President of the Family Federation of Bergamo spoke on: "Physical Dimension – Spiritual Dimension: what kind of relationship?".

The second evening was held on November 11, and had as a speaker Onorina Gibi, psychologist and psychotherapist of the family who presented a paper on the topic: "A nice place called 'the afterlife': what do we know about it?"

The last evening was held on November 18 and has had as speaker Roberto Magni, bio energy therapist and holistic disciplines who spoke on the theme: "The magnificent journey."

This cycle has aroused great interest and participation and all participants expressed the desire to continue to develop this and other topics in future occasions.
