Dear Brothers and Sisters,

We would like to invite you to a stress-relieving-Friendsgiving-early dinner! It has been a long time since we ALL are able to get together and we want everyone to join us. This invite is for College Students and older, plus young families and your kids are invited too. Located in the heart of our community, at Belvedere Training Center.

This will be a potluck friendly dinner! We will take care of the main dish, but we expect everyone to cook something that is listed in our pinned list below. Please comment to reserve what you are cooking.

There will be games, board games, music and other fun things going on as well!

Please RSVP and pick a dish by MONDAY the 21st. Please do this for the sake of the team that is organizing this get-together. You can RSVP via Facebook Event or message privately to Mika Rothstein, Marina Jones or Kimisei Miyake. We can help with any questions or concerns as well.

We hope to see you there, not only to share our food together, but mostly our friendship as a community.
