Jorge De Oliveira September 7, 2017

On the 7th of September, 2017 in our FFWPU Nicaragua headquarter in Bolonia, Managua, a total of 110 people were gathered to celebrate the 5th Anniversary of True Father's Ascension into spirit world and also participate at the Hyo Jeong Cosmic Blessing officiated by the True Parents of Heaven, Earth and the Humankind through internet.

This time, we had 10 previously married couples receiving the blessing of marriage. And the event was very inspiring for all the participants.

Congratulations to our True Parents for this great victory on the world level.
