

FFWPU Vilnius, Lithuania CheonBo Holy Wine and Registration Blessing

Aram and Roma Karagezian
December 30, 2021

There was a beautiful atmosphere of solitude, unity, and joy, as we listened to True Mother's prayer, and experienced deep gratitude for the amazing grace.

Our CheonBo family's number grew from one to five in this year, and it was so moving to offer this to Heavenly Parent, knowing that this truly brings us closer to His ideal.

We had a celebration of this event and it felt like a wonderful conclusion of the year 2021 and hopeful preparation for 2022 where we can push forward and expand CheonBo providence even more.
