Dear Leaders, Pastors and Blessed Families,

As you know, our True Mother is preparing for a Grand Entrance Ceremony into Cheon Won Gung in the Spring of 2025. True Mother's activities are all geared towards that momentous event, which is why she has given us the Cheon Shim Won (CSW), so that we may cleanse and prepare ourselves to be a part of that momentous day. As part of that event, there will be a HJ Cosmic Blessing Ceremony.

Additionally, in the hope of reviving the early spirit of our movement, True Mother really wants us to work together with her in raising up young leaders and bequeathing everything to the second and third generations, by giving them opportunities to experience Heavenly Parent's heart in incredible ways through missionary work. To launch the providence of Cheon Il Guk missionaries at the world level, a Missionary Blessing Ceremony is being organized for young missionaries on February 17th, 2024 in Cheon Jeong Gung, Korea. Please refer to the [memo from International BFD](#) for more details.

Below are the guidelines for those who would like to join the February 2024 Blessing:

## 1) Couples who are already matched

For couples who have already had a commitment ceremony (or are planning to have one in the next month), the conditions are that at least one of the partners must:

- a) Be currently engaged in a mission OR be willing to begin an overseas mission in 2024.  
**OR**
- b) Have completed at least a one year missionary program  
**OR**
- c) Be currently engaged in a public mission OR have done at least two years public mission in the past (only full time work will be accepted, not part-time).

## 2) For Singles who would like to receive a match

True Mother would also like us to support the parents of single missionaries who are looking for a spouse for their child who is dedicating their life to God's will. Therefore, a Parents Matching Committee is being set up in Korea to offer matching suggestions.

To apply to receive a matching suggestion, the adult child (21+) must either currently be a missionary OR must have a desire to be blessed to be a public missionary.

All the families that wish to apply must fill out [this form](#) and have an interview with their local pastor. The form needs to be submitted to [bfmadmin@unification.org](mailto:bfmadmin@unification.org) by December 22nd. The child must also become a fully qualified candidate by Jan 15th by filling out and submitting the applications [here](#).

During the application period, families are asked to make sincere devotions of prayer, bowing HDH, etc. to prepare their child to receive a match prepared by our Heavenly Parent.

If you receive a matching suggestion, the families and adult children should communicate well. This will be a very short time period to consider a match, so a lot of effort will be needed to ask important questions and to clarify everything. You can use [this document](#) as a resource, or you can also reach out to a matching supporter or the BFM for support in this.

Note that no one is obligated to accept such a match and may politely decline at any time. We recognize that this is a great leap of faith. If the candidates mutually accept the match, please report it [here](#) and additionally to [bfmadmin@unification.org](mailto:bfmadmin@unification.org).

Please refer to the [memo](#) for more details. Additionally, you will find a “2024 Missionary Blessing Ceremony” [landing page](#) on the BFM website where those who can attend this Blessing can sign up to indicate their intention. We will host our first information session on Wednesday, December 13th at 8pm EST. Please [sign up](#) to receive the Zoom link.

Should you have any questions regarding application process, please contact us at: [bfmadmin@unification.org](mailto:bfmadmin@unification.org). For any other questions, please contact:

1. Carina Mendez [cmendez@unification.org](mailto:cmendez@unification.org) (for matched and single candidates)
2. Andrea Kuhn [akuhn@unification.org](mailto:akuhn@unification.org) (for intergenerational couples and re-blessing candidates)

Please forward this letter to all the families in your community.

# The Conversation Period

## *Suggestions for the Conversation Period*

When you have completed the first 21 days - the “introduction” period, and have decided you want to continue to get to know each other more deeply couples can begin the next “phase” of the conversation - the communication phase. You are still getting to know each other, and should take the full 7 months for that to develop and grow together in your relationship.

The reason we encourage taking a 7 month period of time to get to know each other is because problems and situations will arise that may be unexpected, and you will need to understand each other well before making a commitment to become a matched couple. We also suggest doing this in 21 day periods of communication and evaluating where you are at at the end of each 21 day segment.

As you continue to get to know each other, the most important point is to build trust, slowly and sensitively while continuing to protect your heart.

And, as you continue to relate, you may discover issues in your character or pain from the past or aspects of your character that are not yet healed, or bad habits that you have not yet dealt with. When these arise it will be important to recognize them and figure out how to deal with them in a healthy way. Honesty is critical in developing your relationship.

Here are some suggestions that can be helpful; some of them you are likely already doing:

1. If you have not already signed up to MatchNet, consider doing that right away and become a Candidate as soon as possible.
2. Consider supporting each other and working through [MatchNet](#) step by step together.
3. We suggest doing prayer & Hoon Dok Kwe conditions, perhaps in 21 day segments together if you can, but separately - on your own - is good too; read TP words and discuss the points you have read. This does not have to be a long reading, as short readings can be just as meaningful.
4. We suggest participating in Dr Yong’s Morning Devotion; below are some options for this. **The most important point is that God is at the center of your relationship as it develops:**

THREE MORNING DEVOTION OPTIONS:

6 AM Pacific Time: [WEST COAST Morning Devotion zoom link](#) (passcode: 2027)

6 AM Eastern Time: [Morning devotions zoom link LIVE with Dr Yong](#)

# The Conversation Period

Morning devotion **recordings** by Dr Yong: [at this link](#)

5. Dr Yong suggests sharing points of appreciation and these would be good to do, perhaps you will want to communicate them to each other, but whatever you decide is fine; we recommend writing them down every day in a Journal!
6. You may already have [these 41 questions](#) but they are important to discuss and clarify each of them; some will be pretty quick and straightforward, and some will be more challenging and will take effort to communicate to each other how you feel.
7. Be sure to check the resources on [BFM.familyfed.org](http://BFM.familyfed.org) under the matching tab and watch the "How We Met" series and the blogs that are there; there will be some points discussed that you may want to talk about with each other. It will also be helpful to watch some of the other video recordings and you can watch together or independently as you decide:
8. You may have read some of these, but these can be very helpful resources:
  - Real Love, and Real Love in Dating; Dr Greg Baer
  - 5 Love Languages; Gary Chapman
  - 101 questions to ask before you get engaged; H Norman Wright
  - Men are from Mars, Women are from Venus; John Grey
9. Do virtual activities together:
  - cook the same meal (or different!) together and then eat together,
  - Watch a movie together (virtual only!) and discuss it after
10. As your conversation continues, **it will be important to think about meeting in person when it is possible**. It is also important to meet each other's families.
11. During time together be careful to choose activities which allow interaction; avoid going out to movies together and be careful of time alone so that there will not be temptation; [here is a guideline addressing physical closeness](#).
12. Be aware that you will have some disagreements; all couples do. The most important is to develop skills and techniques to resolve them. One or both of you may need a short time to cool off, reflect, and then sincerely discuss what was the cause and how important that cause was in your relationship. **Most disagreements are not over meaningful points**.
13. BE CAREFUL about communication during times of stress; if you have a big project or work or studies are intense for some reason, or other issues arise, be sure to let

## The Conversation Period

each other know you are stressed or may even need to take a few days to focus on an intense project (exams during College could be an example or a particularly difficult project at work)

This is a beginning! We encourage you to go slowly and continue building trust. And remember you have a support team who are there for you. Parents, Matching Supporters, family and friends; **BUT be sure to share with those who will support you in a healthy way, not criticize or just “take your side in an argument” because they are your friend. Consult with objective people you trust.**

**Re. : 2024 Special Blessing Ceremony for Young Missionaries and Support for Parents' Matching**

May Heavenly Parent and True Parents' blessing and love accompany you in all your endeavors.

True Parents have emphasized the importance of nurturing future generations of leaders and of public service the Cheon Il Guk young missionaries and said that they will give the Blessing to engaged couples among the youth missionaries and assign them to a mission.

True Mother established Cheon Il Guk young missionary programs from 2014, and youth missionaries have been active in mission programs such as the Cheon Il Guk youth missionaries, GPA, HJST, Hyojeong-rang, EMP, HJ-YLT, STF and other such programs in the various regions. Mother also gave the name "Heavenly Top Gun" to the cadets who will graduate from SunMoon UPA (Universal Peace Academy) in 2024 and who will go out to do missionary work, and blessed this process to become an official model course for future generations.

The next general Blessing Ceremony is scheduled to be held in the spring of 2025 along with the Entrance Ceremony to Cheon Won Gung and the Cheon Il Sanctum. # HJ Cosmic Blessing - 2024, 2025

True Mother will be hosting the next **General HJ Cosmic Blessing** along with the Entrance Ceremony to the Cheon Won Gung and the Cheon Il Sanctum in the **spring of 2025.**

**Date:** Spring 2025

**Location:** Korea (with the possibility to participate in a satellite event)

**Participants:** All matched couples and married couples are welcome to join the 2025 Blessing Ceremony.

**Attire:** Kristina Han

**Blessing Offering:** To Be Confirmed

**Meaning:** With the opening of the Cheon Won Gun and Cheon Il Sanctum, the 2025 HJ Cosmic Blessing will be a Blessing Ceremony unlike any other other for it will be the first Blessing Ceremony after the official entrance into the Cheon Won Gung and Cheon Il Sanctum.

True Mother wants all of our efforts to focus on preparing for the festivities surrounding the successful Entrance Ceremony into the Cheon Won Gung and Cheon Il Sanctum. This is why there will be no major gatherings in Korea until that time. This is also why there will be no major Cosmic Blessing in 2024.

However, in the spirit of preparing the next generation into inheriting True Parents' tradition, vision, and love, True Mother is offering a unique opportunity to the young people who are currently during missionary work, those who are preparing for missionary, and even those who have done missionary work in the past, to receive the Blessing this year, in order to officially launch the worldwide missionary work in this era of Cheon Il Guk. Just like our early missionaries went out on missions after the Blessing in early days, the merit of the age is now giving a rare opportunity to the younger generation, the inheritors, the opportunity to contribute to bringing the changes that they would like to see in the movement, the providence, and the world by offering to our Heavenly Parent and True Parents the first year of their lives as Blessed Couples.

If you are a missionary who has been preparing for the Blessing,

coincide with the graduation of the "Heavenly Top Gun" of Sun Moon Universal Peace Academy. (Read [this memo](#) for more information.)
