Passing of Laura Nabetani to the Spirit World

Drissa Kone August 1, 2017

Dear brothers and sisters,

Today at 3:19PM, Laura Nabetani passed into the spirit world.

Brothers and sisters, let's all unite with our hearts to pray for Laura's smooth transition to spirit world and offer our love and support for her family during this crucial time.

I am currently at the hospital with her family and we will inform the community about the Seonghwa Ceremony as soon as we figure it out.

Thank you.

Sincerely,

Dr. Kone
