Dear Brothers and Sisters,

Our beloved sister, Mrs. Chiemi Tanaka ascended peacefully to the spirit world, surrounded by her loved ones on June 7, 2021 at 1:20pm, after a long battle with breast cancer. Mrs. Tanaka is a cherished daughter, wife, mother and friend that will be dearly missed. It is with love and sadness that I ask you to join me in honoring the beautiful life she lived, and pray for her peaceful transition into the next life. Please also pray for and give your heartfelt support and encouragement to the Tanaka family in this challenging time.

My mother, Chiemi Tanaka, was diagnosed with breast cancer in March of 2018 and immediately had surgery. She did chemotherapy for 18 weeks and radiation for 12 weeks.

In December of 2020, her condition began to get progressively worse, so she went to see her doctor and found that her cancer has spread to her bones, and now to her liver and lungs. She began taking chemotherapy medication.

However, just two months ago in March, she got Covid-19 and her condition became much worse. The doctor announced that her body is unable to continue chemo and it is risky to continue the treatment.

Right now, her only option is relying on natural treatment methods, such as Jin-st. We are planning to try a Japanese natural treatment, called Onnetsu Therapy, where we try to kill cancer cells using heat. We hope that this treatment will help her body improve so she can start her treatment again.

She is a mother of two college students and needs a lot of support financially. Our family humbly asks for your support of any amount and please share this with your friends. Thank you for your time and consideration.

by Shiho Tanaka, Organizer

Thank you for supporting Chiemi Tanaka's medical funds. We are devastated to share that she has recently passed away on Monday, June 7. She was a wonderful mother, daughter, sister, and wife.

She was a positive and caring person with a compassionate heart. She dedicated her life to her family and faith community.

As many might know, Chiemi was a cancer patient with a severely weak body. On the midnight of her passing date, she was sent to the ER and later passed away.

Please consider helping us through this difficult time, as any amount will help cover her funeral costs. Our family is truly grateful for your love and care.
