Wild weather with 70 mph winds whips Seattle and Western Washington

Dear Families, Brothers and Sisters,

I wonder how all of you are doing after the big windstorm last night. I hope you are all well. In my place our power was out at some point but got restored this morning. However, our internet is still out.

Thankfully my phone is still working so I am able to send you this message which I hope you are able to receive. I wanted to send a community letter from last night but I got caught up with some other things. For one, at around 9:00 pm last night, my daughter had an accident as she tried to avoid a tree branch on her way as she was driving along highway 522. I believe it is through God and the good spirit world's protection that she did not get hurt in the accident although her car was totally damaged. I cannot but be grateful about it.

Just a heads-up, in our national leaders meeting yesterday, it was announced that this Sunday, January 17, 2020 on the sub-regional level, the message delivered by Dr. Yun during the CIG leaders meeting will be broadcasted for all members to watch. So for our community we are asked to join the Bay Area Family Church Sunday Service at 10:00 am. Our Sunday Service team will meet tonight to finalize the plan for this Sunday. I will send you a message of the final schedule for our Sunday Service for this coming Sunday, January 17 by tomorrow. There maybe some changes so please stay tuned.

About the 2021 calendars, I sent out a message yesterday saying that it is already available for pick up at Windermere. The price is \$15/calendar and you can pay through Venmo, by check or cash. If you ordered

the calendar and you need to pick it up , please message Mrs. Chieko Granstrom at 206-446-4293 for an appointment.

Lastly, please continue to pray for our national prayer condition and for the peace and unity of this nation of America. And let us pray for one another. May we can overcome whatever challenging situations we may be facing at this time.

God bless you all!

Sincerely,
