Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

First of all, I would like to express my gratitude and appreciation to those of you who express their heart with regards to our Windermere Mansion. It is good to know the investment of love, time and effort made by all of you to take care of this property which serve as residence of our True Parents here in Washington State since it was bought in 1974. It is also good to know how you feel about the move of putting the property on the market from December 16, 2022. Letting go of something very precious to us is difficult but we all know that there are times that we are called to make such a decision. Reflecting on the whole situation and listening to what our elder members are sharing, I feel that as a community, we are being placed in the position of Abraham, being asked to offer our Isaac as a burnt offering. My prayer is that may we can be united as one, while keeping that same united and obedient heart as Abraham and Isaac showed before God in Mount Moriah.

This Sunday, January 8, 2023, we are holding a town hall meeting from 1:00 PM to 2:30 PM at Ballard Church. The agenda of the meeting will most likely be the following:

1. Updates on how the Windermere Property is doing in the market, and other reports related to Seattle properties and the national property optimization program
2. Two representative young second gen family (Shinghi Detlefsen and Kwansoo and Towa Lee) will share their thoughts on the Seattle Properties - sale of Windermere/Ballard and the prospect of getting a new facility for our church community
3. Question and Answer

In case there will be a change in the agenda, I will provide the updates as soon as possible. I hope that you will join us this Sunday.
