Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

My sincerest gratitude to all of you who joined our online town hall meeting last night. Thank you for sharing and expressing your heart, your thoughts, your desires with regards to the sale of Windermere Mansion and the possibility of us applying for a demolition permit. I believe that Heavenly Parent, True Parents, Jesus and the heavenly spiritual world have heard and have received the offering of our hearts. Let us continue to pray and seek for heaven's guidance and interventions while keeping our love and respect for one another. Let us keep our resolve that we will pass through this fork on the road victoriously, choosing the right path for the great future of our community, as well as the City of Seattle and that of Washington State.

Change of topic, this Sunday, January 29, 2023, we will celebrate True Parents' birthday (103rd for True Father and 80th for True Mother) and Foundation Day. We will hold the celebration at Windermere Mansion at 6601 NE Windermere Rd, Seattle WA 98115. Pledge Service will be at 11:00 AM followed by lunch and entertainment. We have a few volunteers for entertainment but we can welcome more. Just contact Miyuki Granstrom so you can be added in the program.

Thank you to those families who already offered their donation for Cheon Won Gung. In case you have not done yet, your donation is still very much welcome. The link to offer donation is included in the SR5 newsletter which is included in the weekly updates sent by Pastor Nelson Mira.

Again a reminder to UPF Unity Prayer on February 11, 2023. Contact our Washington State UPF Executive Director, Mr. Ray McCready for more information. ([see flyer](#))
