Dear Seattle Heavenly Parent's Holy Community Blessed Families, Brothers and Sisters,

Greetings from Cheon Shim Won in Las Vegas!

As I write this letter, we just returned back from having dinner in a Korean restaurant after completing the 2nd day of the 3 days CIG Rebirth workshop initiated by our Continental Director and National president Rev. Demian Dunkley. It was quite revealing and truly high spirited workshop. Rev. Dunkley shared a lot of his experience with our True Mother and his personal reflections on each of those encounter. We also had chanyang sessions and had the opportunity to listen to testimonies from Korea. And a chance to pray at the Cheon Shim Won. My wish is that each of you can also have the opportunity to attend the same workshop.

Forgive me that I cannot share much this time. I think one top priority that I would like done soon is the establishment of Cheon Shim Won - the special place of prayer where we can deeply connect with our Heavenly Parent and the Heavenly Spiritual world.

It is 1st Saturday of the month and I would like to encourage you to join the Holy Ground prayer. Also, this Sunday our GPA graduates will be sharing their testimonies. Please support them with your attendance.

May Heavenly Parent and True Parents love, healing and comfort be with you all.

With love and prayer,

Rosie Dijan Muyongo - Pastor
