

Norebang - Korean Karaoke Evening Yuriy Gavrilin - November 6, 2017

To introduce modern Korean culture to CARP guests in Moscow Korean and Japanese sisters organized a karaoke evening on November 6. 노래방 - norebang (*literally "room for singing"*) is very popular in Korea now. Norebang style of the event allowed participants to come up with songs and games. There were presents and prizes for winners. Eight guests and several brothers and sisters participated. Korean and Japanese sisters invested themselves a lot and Russian brothers and sisters helped them.
