Ferizaj, Kosovo - A UPF Peace Council used a cultural performance to promote family values. The program was held on May 15, 2023, in honor of the International Day of Families, by the UPF Peace Council of Ferizaj District, located in the south of Kosovo.

Beautiful and simple emotions were conveyed by the artistic performances. In addition to the entertainment portion of the event, the family of Ambassadors for Peace welcomed three prominent figures of Ferizaj: Agron Bajraktari, Shkelzen Marevci, and Zyhrije Vata.

Special thanks to the UPF Peace Council of Ferizaj District for attending to every detail to create a beautiful and memorable program.
