We organized a 21-day Divine Principle workshop from December 17 2023 to January 7 2024 at Odigbo Training Centre, in Ondo State. We had 16 participants, including two Muslims.

with the desire to realize Heavenly Parents dream, to embrace the lost children, we aimed to help participants understand the essence of the Divine Principle and know and Attend Heavenly Parent and True Parents thereby preparing them for the Blessing of Marriage and creating the ideal family that Heavenly Parent wishes to see and can reside in.

Dr. Bilkisu Adedoyin, an Ambassador for Peace, A facilitator for the Character Education Program, and a Senior Lecturer at the University of Abuja, gave all the lectures on Character Education for 2 consecutive days. We were so inspired to know at the end all the participants said they all wanted to attend the Blessing. At the Divine Principle test, a Muslim participant, Mr. Khalid Ahmed, gave the best answers and took the first position among all the participants.

Reflections

Margaret Ambeke: I want to thank our Heavenly Parent and True Parents for allowing me to participate in this workshop. After the 21-day workshop, my knowledge about True Parents and the Blessing is deeper now and I am now ready to devote my time to work hard for True Parent's dream to be realized, I am also ready to participate in the coming Blessing Program.

Khalid Tanko Ahmed: I am grateful to our Heavenly Parent and True Parents for the understanding I gained during the 21-Day workshop, I am a devoted Muslim but now I clearly understand what went wrong in the Garden of Eden and the struggle Heavenly Parent has gone through to correct this. In the course of the workshop, I received answers to lots of unresolved questions I always had. From now on I will attend our Heavenly Parent and True Parents wholeheartedly. Once again I am grateful I had the privilege to participate in this workshop. I want to attend the next Blessing.
