Our TRUE LOVE FARMS is gradually wearing a new phase as we grow in our determination and

engagements in the image of our HEAVENLY PARENTS and our TRUE PARENTS in feeding the people of the world.

Due to the advancement of the True Parents' achievements in especially connecting world level VIPs in doing God's will, our TRUE LOVE FARMS honours some of them by naming the farms plots in their names.

Africans pioneering TRUE PARENTS' vision were given a special place in this gesture. Truly Africa has had the image of famine and starvation, and it's time we change this history.

We have about 12 plots.

The first eight plots were honoured to our

- 1) HEAVENLY PARENTS,
- 2) TRUE PARENTS 3
-) H.E. MACKY SALL,
- 4) H.E. EVARESTOS CAVALO
- 5) H.E. ISSOUFOU MAHAMADOU
- 6) H.E. GOODLUCK JONATHAN
- 7) BISHOP NDANGA and
- 8) PROPHET SAMUEL RADEBE

We pray to inherit their foundations in making a Heavenly Africa and world.
