

Dear brothers and sisters,

We are happy to announce the **Central and Eastern European Winter HARP Workshop** in Gdanów! With less than a month left until the event we would like to share some important information with you.

Place: Gdanów workshop center, near Cracow, Poland

On **December 15th** we will make the final decision whether the workshop will be in person in Gdanów or we will organize a workshop online.

Dates: December 28th 18:00 - January 2nd 10:30

For staff, arrival is on December 27th until 18:30

Participants' age: 14-18

Workshop language: English

Workshop fee:

For participants: 180 EUR or 850 PLN

For staff members (including team leaders): 70 EUR or 330 PLN

Workshop motto:

Warriors of Truth

"For God has not given us a spirit of fear and timidity, but of power, love, and self-discipline."

2 Timothy, 1:7

Confusion, wars, pollution, constant fight between good and evil - these are just some of the barriers standing between us and the One who seeks to embrace all people with love. We, however, are not those that give up when the going gets tough. We are resilient, responsible, righteous, and rooted - we are warriors! The Divine Principles (the Truth) may be considered as our metaphorical *sword* and *shield* - tools that can protect us from harm and at the same time enable us to gain victory over our circumstances. To wield such a shield and sword properly takes many hours of practice and training begins on December 28th and we cannot wait to meet you there.

Covid-19 safety:

The situation is changing very dynamically, so we will keep everyone interested up to date if anything should change, but here is how the situation is looking right now.

Travel:

Currently, in order to enter Poland without having to isolate, you need the following two documents:

1. EU Digital COVID Certificate, and
2. Locator Form.

Please follow the official information on the governmental pages to be updated: www.gov.pl/web/coronavirus/eu-member-states-schengen-area-turkey.

In order to minimize the possibility of participants or staff members contracting the virus, **we will require all those coming to the workshop to have the following:**

- Parents' written approval for the participants to come (we will send a form to fill out and sign for all registered participants and their parents),
- Proof of vaccination or having recovered from Covid in the past 6 months, AND
- Covid-test (antigen or PCR) taken within 48 hours upon arrival to the workshop site.

Other safety measures related to COVID-19 in order to mitigate risks:

- Assess your health situation before starting the travel to the workshop. If you have any symptoms of COVID-19, please refrain from travelling. If you have been in contact with anyone who tested positive up to 14 days before the workshop, please communicate with your local medical centre and take their advice on whether it is safe and responsible for you to travel to the workshop - alongside taking the necessary test.
- Please be responsible during your travel to the workshop. When travelling by airplane, train, or coach - wear a facemask whenever indoors if your medical condition allows it (in the cabins but also inside the airports and stations, restaurants

etc). Use hand sanitizer. Follow all the requirements and guidelines of the travel carrier.

- Please bring a hand sanitizer and facemasks in sufficient amounts (disposable masks and/or fabric masks which can be washed).

Please take this point very seriously, because even though Głanów is quite a big space, it would be very difficult to keep a virus from spreading should somebody become infected.

Condition:

And lastly - for everyone willing to come or support this project we warmly invite you to join us in a **21-day condition for the success of this workshop** between December 7th-27th - with the special situation we're facing this summer we will really appreciate all the support we can get in building the foundation for the best experience with God and each other that we can create. :)
