

Note to Readers

The Way of God's Will - Interlinear in Japanese, Korean and English is a compiled version of:

Japanese version: *み旨の道(小)新装版* 2009年7月1日 第3刷 世界基督教統一神霊協会
光言社

Korean version: *뜻길* 1997年5月10日 발행 (九版) 世界平和統一家庭聯合 成和出版社

English version: THE WAY OF GOD'S WILL
1980 First Printing, Holy Spirit Association for the Unification of World Christianity (HSA-
UWC)

I was greatly amazed while working to combine the three versions, because even though these words were spoken by Rev. Sun Myung Moon a few decades ago not one of them were out of date, and I was reminded how True Father gave us these words with eternity in mind. My heart of gratitude and praise has been renewed. Where there was a slight difference in the translations, I strived to unify them based on the original Korean text as much as possible. Also, when there was no English translation, I only compiled the Japanese and Korean text. I deeply pray that this interlinear version can support not only members in Japan, Korea, Europe and America, but also the brothers and sisters all around the world.
