I am so happy to see you.

Today's weather forecast said it would rain in the afternoon, so I was a little worried. But your tears expressing gratitude, your tears of thanks and tears of love have changed the forecasted weather.

[Applause]

Everyone, let's bring victory in everything! Until the end.

[After the members sing "Saranghae (Love You)" to True Parents:]

I also love you very, very much.

Let's sing "Saranghae" once again!
