The Word of God Centered on True Parents: True Love (27):

- 1] Love is unseen but it exists and is more precious than any visible jewel. From this love everything comes into being, Therefore, everybody likes love.
- 2] The essence of true love is to live for the sake of others.
- 3] To become true family centered on true love;
 - 1) There should be a true wife before the true husband , and vice versa.
 - 2) There are should be true children before true parents, and vice versa.
- 4] A man of true love is the true parents, true teacher and true owner.
- 5] If you feel true love, every part of your body is happy, and you want to embrace your partner, spinning and jumping your eyes close and you feel as if you are floating.

The Word of God Centered On True Parents: (28) True Love;

- 1] Absolutely living for others leads to me receiving absolute love for myself from others.
- 2] true love should start from myself.
- 3] The right to live together and the right participate together come from love.
- 4] The joy of giving love is greater than the joy of being loved.
- 4] Love should have a substantial object and then multiply.
- 5] cosmos revolves centering on true love. Therefore, couples centered on true love are protected by the cosmos

The Word of God Centered On True Parents: True Love (29);

- 1] Absoluteness can be established through loving others with true love.
- 2] If you want to receive love, you will be in pain; but if you give love to others you will become happy, because the reason of creation is to give love.
- 3] Love is precious and holy. Therefore, we can't love as we like, indifferently or anywhere.
- 4] True development comes from true love.
- 5] The more you give love, the more you can have love.
- 6] The truth before man in woman, and the truth before God is true man, and vice versa. Therefore, true love can be made by harmony between man and woman and together with harmony between God and human beings.
- 7] perfecting the providence is perfecting truth, and true is true love.

The Word of God Centered On True Parents: True Love (30);

- 1] If our five senses center on true love, they will be eternal.
- 2] He who doesn't lead his life for the sake of others cannot be loved.
- 3] Love is to give If you want to receive it, you will suffer.

- 4] Without love, everything become a problem.
- 5] Only the relativity of leading a life for others based on true love. Can bring world unity.
- 6] We eventually tire of everything except love.
- 7] There is no calculation in love. Calculation comes from egoism.
- 8] the man whom all women applaud because he is living his life for others is a real man. The same goes for woman.
- 9] True love is stronger than any country.
- 10] The person who gives True Parents hope is the one who can digest everything by true love.

The Word Of God Centered On True Parents: True Love (31);

- 1] The person who gives True Parents hope is the one who can digest everything by true love.
- 2] If you are connected by true love, even though you are far away from your partner, you will soon be happy when you meet each other.
- 3] The essence which is liked by all the creation is true love.
- 4] Even though their dimensions are different from one another, minerals, plants and animals can feel true love.
- 5] If there is a problem in true love, only God's special doctor (True Parents) can cure it by Divine Principle.
- 6] The reason why the yang-yin of the creation are attracted to each other is that they have the element of true love in their different dimensions.
- 7] All the creation follows person of true love because even though its love dimension is different from man's creation still has true love. In this kind of original world there can't be any poverty.

The Word of God Centered On True Parents: Unification Church;(2)

- 1] Your Church life is more important than your social life, so you can lead a social life after being recognized in the church.
- 2] If don't know the importance of church life, you can't understand the direction of God's will.
- 3] To serve the Church is to serve myself.
- 4] Horizontally multiply and develop the vertical tradition through the Church.
- 4] True Parents want to work according to the Heavenly system.
- 5] Be new and fresh. We should be different from other churches.
- 6] The reason the Unification Church is not growing quickly is "me".
- 7] The Unification Church is the training center to form and cultivate human personality. Therefore, the family and society (object) should come from Church (subject).

The Word Of God Centered On True Parents: Unification Church;(3)

- 1] Unification Church is:
 - 1) the place to awaken all to the significance of unification;
 - 2) the medium where the indemnity conditions can be met;
 - 3) the passage to the Heavenly Kingdom (training center to lead a Heavenly life);
 - 4) the most holy place that connects earth with Heaven;
 - 5) the fountain of spiritual life;
- 2] We go to church to make God our own.
- 3] The question in the Unification Church is not "money" but "me".
- 4] The established churches center on the individual; our church, on the family.
- 5] The church should save the area and the country in which it is located.
- 6] Because True Parents paid indemnity in blood, we have no martyrs in the Unification Church.
- 7] The members of the Unification Church are the man and women who are establishing the tradition of love.

The Word of God Centered on True Parents: Unification Church;(4)

- 1] The member of Unification Church are the men and women who are establishing the tradition of love.
- 2] We should be the north star for this fallen world that has lost its compass.
- 3] We are a special religious people of the family region centered on parental love.
- 4] The church is the place where people are educated and guided to build the Heavenly family.
- 5] Go first the church or Holy Ground wherever you visit.
- 6] Don't suffer for the sake of the Unification Church, but suffer in order to practice and witness about the Unification Principle.
- 7] The four basic duties of Unification member:
 - 1) Study of the word,
 - 2) Prayer,
 - 3) Witnessing, 4) Restoring material (for example, tithing).
