4/10 - DAY TRAINING SESSION

Q: How does the Messiah eliminate original sin.

A. By going through all those works

This means that in heart we can become one with God - and we have to obey his orders and

Q: and by this Satan and then he can have freedom.

Q. The Fall the story of Adam and Eve - that man had to go through growth stages to evolve to the stage of existence that Adam and Eve were at - that they were 't cave men - to understand A and E as being literally in the Garden of Eden .

(where did you think they were?) I thought they were symbolic for a group of people or for the standard of where man had become at that time.

(A and E were the first two people -not a group of people) If there were many people

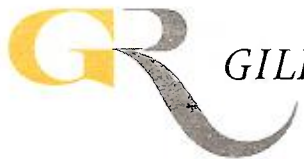

At a certain stage did man evolve scientifically or did at a certain stage God breathe life into man?

God created Adam and Eve - man as separate beings. So, when we see from the external results man came through the process of evolution - but that is the order of evolution - man has a process of creation.

All the effects must have a cause. ... from simple structure he became complex structure. From a simple structure a complicated structure cannot come out by itself. So, there must have been some force, or some energy by a third person. So, there must be a third person who put in energy or intellect or anything. Otherwise an amoeba itself must have some power to produce higher intellect - but that cannot be. So, this means ~~input~~ input and output cannot be the same. Always input is stronger.

Many of our members think that first man was born from some animal close to man and then God made man. But that's not true. Man is a separate creation. Also, every being has ^a specific purpose to exist. If everything came by evolution, then we cannot admit their specific purpose. So, when we develop to certain direction there must be a certain exact purpose. The purpose must ^{be} given by someone

That is also the communists don't believe. They don't believe in God, so they want to explain the appearance of man by their ideology, so they make their understanding lighter. Also, they say that the conscience itself can be changed by artificial methods - but that's not true. Also, love cannot be changed. Every

GILBERT A. ROSCHUNI

being has the nature to accomplish its purpose from the beginning. Its purpose cannot be _____

You have to make it clear the word of creation and the word of evolution is entirely different. God created man as a baby. First as a baby. It's possible that God can create a seed. So, it does not matter whether God first conceived the egg - by feeding nourishments he can make a baby. Everything goes through growth stage, so they have to go through growth stage. We know the necessity of the growth period.

Q: Political - is there some significance is he being punished?

A: We can say that way too. All the big events come not only by man - but also there is the Work of God. Symbolically that means that Nixon's administration must be changed greatly. But this Watergate problem is one of the greatest problems, not only for your country but for the whole free world. This is a great sign of transition. Now Nixon - the American government is pulling out _____ from Asia, but within 5 years America must return to Asia and must bear more responsibility. In that case Soviet Russia or Red China will be there. America will be _____ by them. That is not only momentary thing but that is historical thing. Once man who is in responsible position in world-scale. If he once makes mistake, then to amend the mistake, it must go through one cycle. He cannot restore it in a moment or in a short period of time. It must go through certain period of time to restore his mistake. Because Master came here and he is doing his work, therefore there will be many such incidents. Also, not only America, on the world-wide scale there will be many such incidents. When the time goes on our plan progresses, ~~Motism and theism~~ in Red China will be taken to spirit world. Because of this Master's responsibility is very great. If Master makes one mistake it affects greatly the _____. Until this time Master did not stand in front. Always members work for him. God always stayed behind He did not stand in front. This is the first time for Master to stand in front of four members. God's providence has been progressing from individual to world wide level. Always when one is going one

to dominate all satanic nations, God must ~~not~~ dominate one nation on His side. The Messiah is to come on the foundation of the nation. When he comes on the nation, then he marches to the restoration of the whole world. The work of Master up til this time was not the mission ^{Master} should have done. That is just indemnity work for the failure of Christianity and also for our members. That is the restoration of Cain. By restoring Cain to Abel's side, he is expanding His work. From one man he must have Cain and Abel family . By Abel tribe is gone. By Able By uniting Cain Tribe with Abel tribe. There can be Abel people and when they unite then Abel is born. In Korea the U.C. members work to indemnify the mistakes - the failures of Christians. Because of that our Church could develop. In Korea already we are now in Abel's stand and Christians are in Cain's stand. Our church is above Christian church. This means that Abel controls over Cain. Once our church is in this position we can move to any other things..... So, to transfer that foundation to America, that was last years' Master's public speech. Christians are spiritual Cain. Because of Christian Cain, that is to have spiritual salvation. Master's speech last year was a declaration of war against . Even in Korea our church was hit by the established churches. This time by speaking in public to Christians and Christians then this time we can restore what we have hit by Christians churches in Korea. By founding - by making that foundation, Master can start his work. Also, we have many members from European countries. So, you are Cains , because you are descendants of Christians. You came here, that makes the condition that you did not object against Master. Also Asian people. By that we can become one. Also, by the crucifixion of Jesus, God's providence became spiritual salvation through Christianity. But it was a big blessing for Master's work. If, at the time of Jesus, if Jesus made the condition to restore spiritual and physical together, then to succeed his mission master must meet the condition to restore both spiritually and physical . But since Jesus was only to make spiritual foundation..... therefore by making physical condition he can stand on the..... Spiritually Christians and Master are one, and also physically we are now above physical Christians. So, we can develop. On that foundation we are now developing our work through physical aspects - the physical plane.

So our work is supernational - physical substantial work. In the spiritual level, already all the international people are one. On the spiritual level we are starting this work. Once we restore on enation it will be very easy. So, any one nation, that nation will be the foundation. It is not necessary Korea, any nation, then we can transfer that foundation to Korea and we can start there. We are now in international work age. So we can work in any nation. Also Jesus died at the national level So, Master had to work to indemnify all conditions lost by the death of Jesus - so in backward. If Chris churches became one with ^{IV}aster, he could immediately work on that foundation. Then already America would have been one and there would be no communistic countries. Also, Korean in 1945 when she was liberated - Korea and America was very close - almost one. Also then there were many ~~CCCC~~ So at that time if CCC accepted master he could start at both levels spiritual and physical both together. But because of their objection he could not start. So, we are now on the foundation of physical victory... That is not the mission of the Messiah - what So far m_{aster} has worked that has been to indemnify failure of CCC and of Korean. s Before God sent Jesus to Israel, he ~~w~~ sent many prophets and eservants and by those conditions Master could come. Master has been making all those conditions. Now we are on the foudation of The original mission of Messiah is from national level to the world restoration. ~~That is~~ All the historical events do not happen just accidentally. This is to make America need the CCC church. America will have troubles. So, this makes need for new poltical, social systems. Now we are preapring for that. America is the archangelic country, therefore if America withdraws from Asia, America ~~canot~~ maintain. God's prov. of making America iprosperous was not to make American people l ve well, but to protect the age of yellow power Asia. Many american people say that they would come a. Because Amrica is not fulfilling her mission Cain side people or nation and hit, chastize. Whenever Abel fails to fulfill his mission then Cain starts. By the failure of America, Red China is getting the advantage.

To check that and to make America fulfill her mission, Master is doing this work. American members' responsibility is very great. You have to understand this great purpose and mission. As M said, 1977 and 78 will be the years when our church UC and America and Communist power will meet at one point. Because in the final restoration, the e must be restored Adam and restored Archangel and fallen archangel. This means by surrendering - the fallen archangel must ~~surrende~~ surrender to the restored archangel. By this heavenly providence can be restored. M thinks that 3 years from 1978 are the crossing period. That is up to 1981. 1981 is the ending year of the third 7 year course. From 19__ to _____ is the third _____ During this period we have to make world scale .. _____

Now the restored archangel is not united with Adam. We are working with Adam to make this - this is the 7 years course. 1972- 1977 - full six years. During this period we have to make Adam and Archangel one. It can be done if centers and Chris leaders unite with M. Now M is _____ to make that come. Now M is meeting senators who respectnt external side. CCC leaders are internal. When senators come one with M, then together

If Senators do not cooperate with us, then we have to make ~~xxxx~~ Sen to cooperate with us.

If America fails then our church and America will come to collide. But our church is not big enough in that case if our side is small then many members must be sacrificed. So, not to make that come to pass.

M is working with government level. God's prov, in this time at this age. M thinks it will come. So he has many troubles in government and in many areas. You don't have to worry about those problems.

What you have to concentrate your heart is to make more members and to influence more members.

Make strong foundation

If we continue to make 1 member /month for 7 years then no problem. Then how many can be made?

1 man can make 72. Every month one member must bring one new member. Also, 72 disciples were representatives of one nation. You are like one representative of one nation. The _____ has

2 who led the tribes. This is the reason why M is emphasizing one new member per month. If we cannot fulfill this then we will have trouble.

Q. Book Is Israel going to be the central nation?

A. Israel does not mean the exact country. The Israel is first, Christians second and we are third.
centering in

This means our church and two forces fight. The Jewish people are formation stage, therefore, God gave them material and CCC are growth stage and they have people. So, they led free world. We are now in the perfection stage - this means heart and love. That is what history tells.

..... free world is led by Christians. We will have t at is what history proves

This is not a coincidence - not an accident. If Jewish people persecute us, then we can imagine what we have - their blessing. Their blessing will be transferred to us. The more persecution we receive, then the more we will be blessed. So, we have to go and meet people. Our head will be the arrowhead, but our back will become greater and greater. Our church will become greater. Everything will be transferred to us.

This is very important hour and these things are very important.

Q. Position of our church toward vatican and pope (Franco)

We can see Catholic is formation stage, Protestant growth stage and we are perfection stage. So, Protestants fought against Catholics and they won and they had their own churches, they already inherited therefore, the foundation of Catholics. If we make Protestants unite with us, then we can finish. America represents Protestantism, so America is important. 200 years of work to make this foundation of America. America is standing on the foundation of the achievement of the Catholic church. Therefore, we put most importance on America. When America is united with our church then we can do as we want with Catholics. Can we move American, established churches? We can do that. Whenever you go out in the field, you have to meet Chr leaders and you have to be able to move them. Fight and you have to use your wisdom. By our wisdom we have to restore - the wisdom of Jacob and to give presents, etc. to use the same strategy. Induce you to his members of his church - then it is same as Jacob and Esau. To do this we need money. Finance and influential people on our side.

When we meet the bishops and archbishops, sometimes we can give him money. In Chapter 5

A. Ancestors who have bad crimes and sins, then descendants will be invaded by Satan. If man committed a crime by killing a man and then that man spirit man will go to hell. Then he cannot wipe away the thinking of killing a man. There is no way to wipe away that thought. Unless he makes the same situation as he committed that very crime. So he ~~is~~ comes back to this earth and makes another man to reproduce the same situation. By doing that ~~hex~~ they want to go over that situation. Evil spirits can get merit only at the time of great change. - the time of Jesus or the time of Adam.

Also, when we go from tribal to national, etc. in that case. Whenever evil spirits come down and they cause the same accident as they committed. Then God considers this sacrifice

Also, evil spirit

God admits the work of evil spirit. Even good man sacrificed, but it does not cause any loss to good side, then also the man who became a victim he also gets merit - does not go to a bad place. - he gets merit as he was sacrificed for the purpose of goodness. Also sometimes during the war - that can become the conditions. If evil spirits come to one nation, then they can cause war. In that case, if one nation comes to have war, then there are two ways - if the nation determine to fight and win then they can go in a new direction. E.G. in the Korean war, Korea people suffered so much it was like a sacrifice, but because of that, Korea could be united with America closer. In Korean war Korean and American people together shed blood to defend independence of Korea. So, they became very close and spiritually became very close and America

because of that AM chose America to work. Independence of Korea means the independence of the whole fatherland - fatherland of all mankind. In the defense of Korean independence, Korean people shed the most blood. next America and then English people. Therefore, God puts good on them.

That is not bad result. All transitional stage, evil spirits come and cause all kinds of trouble - accidents and ~~six~~ fire. This is not always - only during the transitional time. Good spirits can come any time.

Whenever he finds good men on earth.

Q. Billy Graham (Mitch Dixon)

A. Billy Graham came to Korea 20 years ago and he said that Korea is spiritually highest nation.

This time he ~~always~~ speaks 20,000 people come to his meeting.

Q. Albert Develop ability to know if God is happy....

A. You can develop your heart and know whether God is happy or sad by your heart - by your feeling. To bring development, you cannot develop by yourself alone. You must have objects to work with. If all the people like you and you are loved and respected, then you will be loved by God. To witness to people is the way to develop yourself. For the growth of one tree, it must have many branches without branches it cannot grow - so you are the trunk and you need many branches.

Q. (Bruce Biggins) God's words will not be come void or empty Then what will happen to the people we work with who don't respond? in time?

A. When you speak to them with the heart of God, then they do not receive you, your work, then they will be chastized. When you meet CCC, don't speak too much, let them speak. People usually don't like it if you are too proud. Then you ask questions "which is passage your favorite" then you ask why" and then you find their weak point and you can ask his favorite and also the passage he doesn't like most and also passage which is most difficult to understand. When he says he likes this passage. agree, agree, agree. Then you ask the reason why you are most pleased and why you don't like the passage and why it is most difficult and if he cannot answer properly then you can give him the answer. Then he can become your friend. Then give him the next chapter. First we have to wake him up and make him ready to take food. Also, you have to study how to witness to people. Then you can understand what are their common problems, questions. Resurrection? Last Days" etc. In that case you can show your Bible. You put your mark on the Bible verses which you will use.

A. You have to persuade by using Biblical verses and let them aware of their ignorance and misunderstanding.

Then, they will open their heart. When you visit Christians you don't have to say you came from U.C. you don't have to identify yourself. Just you talk as a CCC. You don't have to insist that they have

to listen from beginning - you can start from anywhere. God is Chap. 3 or 4

You don't have to give our contents just by that order. You can pick up any item. In daily conversation there come out many topics which you can explain by D.P. So, without letting him know it, you can give Chap. I. If you can give many answers which he could not solve, then he will admit that you are superior to him, then you can give another topics. You have to do this - but not by conversant method. You have to induce him to listen to more and more. Like we have to go through FGP stages. By having conversation you can find out how much he knows, then according to his knowledge you can give. If you give more, which he cannot take, then he'll die. Then he blocks the way for other people too. When newly graduated doctors, they do not have much experience, they follow exactly what textbook says, then they make many mistakes. Their knowledge and experience does not mean. To be able to do this you have to have much experience. If you do it this way, then witnessing is a very interesting thing. You can study man and man's nature - it's very interesting. If you have many experiencing, then you can tell man's nature by seeing man's face. Also, Master knows by seeing your face, your long points, short points and your character - your nature. That's not by using spiritual power, but by experience. So, we have to be very careful in witnessing to Christ. Also since you new people came here the atmosphere is not good enough. By having good ~~max~~ atmosphere you can have greater merit. So, before you study you have to make a good spiritual atmosphere. If you have a good spiritual atmosphere, you don't doze and you can study ^{much} ~~more~~ better and with more interest. Also, you have teams now, so you should have group study and by team have lecture practice, and by team you can share your experiences. Whenever you meet together you talk on topics of D.P. not other things. If you newly understand things - then you ask other people how did you understand this? By having you can develop such understanding and you can help others. Listening is very important. Also, you have to make your time - in practicing lectures and many other things. Every man has long points and short points. You can absorb other man's long points by conversation. Also through your centers you go through the same training - D.P. training and flower and candle selling. In every church we should follow the same pattern. One man - one new member per person per month.

to endorce you r members to do this, leaders unust do this first.

Men who came from mobile teams stand up. Do mobile team commanders give lectures? Center directors shou ld not have any job. Centers need assistance? Assistants? Master thinks Assitants are not necessary. If you want tomake twleve members your men can be your assistants. Master is not going to give assistants. They were assigned when Master was not here. Sometimes when you have assistants, then CD's are assitants. This is the time to make transition. Don't you think this way? CD must take all responsibiity of running center. So, you have to think you alone must make good members. Without this, you cannot bgrow yourself and also..... You should be above True Parents and Jesus. Jesus

Each directors must make this number by himself. The number 12 is. If you cannot make twelve members, then you can have to make at least 3 members who can share everything with hixx you. That is 3 disciples of Jesus. Peter, Jacob, John. So, by having these people they can be your children

This is the formula. If you have an assistant then you cannot do like this. When you have more than ~~12 members~~ 12 members then all can choose assistant. You have to think my mission is min..... you have to train. Satan never wanted to work on the foundatin of other men. You have to follow by thie principle. Youhave to apply Principle to your life. When you thoroughly understand D.P. then you can thoroughly solve any problem. In the Principle there is no end. Apply through Physics, Science and anything . If you receive help from other man then it is like ... Assistants - you do not go back to your home center. If you are sent to the same state, then you

You have to work harder than SR's. Also women will become SR if she is qualified. ASR's will go out as pioneer center leaders. In small centers you don't need assistants. Always remember that there is stage FGP stages. Formation stage is still growth is training and perfection is _____ -

Three cycles represnt your own children . 12 members represent your tribe, clan. 72 represent your nation - people of your nation. Jesus also died because he could not make _____ also 120 members he could not represent the whole world. Jesus came to establish God's world world-scale. Therefore, after he died

m U. N.

72 nations come into this then

Also, I think in 1963 the membership exceeding more than 120. Formation stage is 3, growth stage 12 perfection stage 72 . From that on the world

Also, blessing he did the same thing. He first ~~blessed~~ blessed 3 then 12 the 36 . Vormation stage of number 12

After Mster blessed 36 there was much trouble and then

After man, he must restore the creation - on that foundation he blessed holy ground

One state is like one nation. America is mixture of people of different nationalities. Because of this we ca bless one state as one nation. In that state there should be more than one. By ~~bx~~ blessing M restored all conditions lost by Jesus. Also Jesus could not realize the ideal of marriage. After master blessed people and also blessed land. From 1965 he made a world tour and in 1972, the third tour. This is the first time. He applied D.P. in his course. So, we have to go through the same. Therefore, if your are children of faith. So, the restoration of tribe means you have to bless 72 couples. By doing this you can make the condition that you can restore one nation. Jesus originally should have made this for his family and . by 72 couples you can restore restoration of one tribe. Also when Jacob wen t to Egypt there were .

When everybody welcomes our church, then it is very easy to restore.

.....

First you have

So when you go to the spirit world you can only go through East gate.. If you have twelve members, then you can go through 12 gates as you want. Our work is the restoration of 3 generations Adam, Cain,

A. To have tweolv members, then
