(Two Chinese characters make up the word sincere devotion or "Jeong Seong") The character *Jeong* implies the spirit of a person. And the second character *Seong* is made of yet another set of two Chinese characters: which mean *word* and *character*; the other means *accomplishment*.

Thus, this means you must offer all that you accomplish internally and externally.

Once you reach this point, Heaven will be impressed and moved.

As Heaven is moved by you, Heaven thinks about you; then God would think about you all the time and God's love will be moved to visit you.

As God's thoughts stay and remain in you, God's love will be connected to you. (78-30)
