UNESCO's Constitution

“Since wars begin in the minds of men, it is in the minds of men that the defenses of peace must be constructed”

UNESCO
7, Place de Fontenoy
75352 PARIS 07 SP, France

Bhagavad Gita 6:6

... the mind is the best of friends; ... [or] the mind will remain the greatest enemy.

Dhammapada 3:34

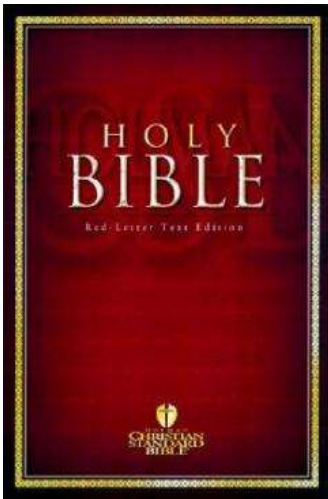

It is you who must make
the effort.
Great people of the past
only show the way.

Quran 2:256

There is no compulsion
in religion...

Matthew 7:7

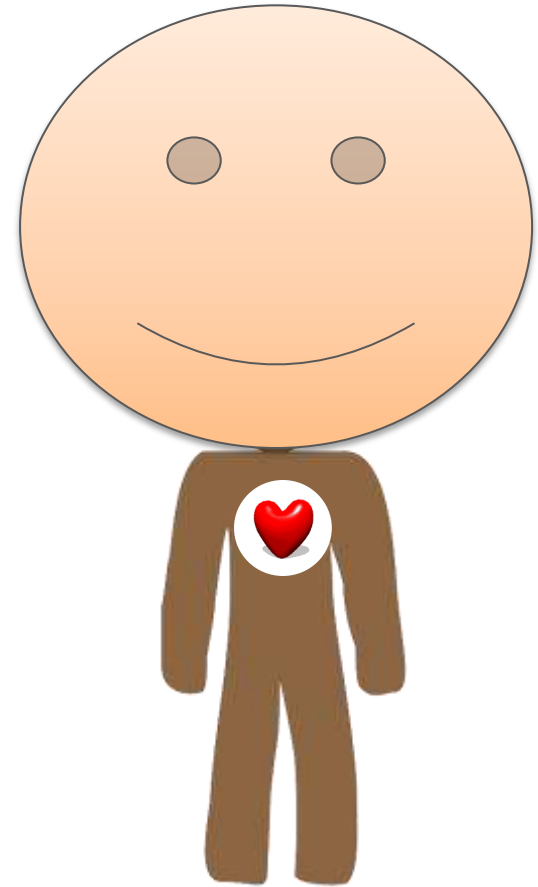

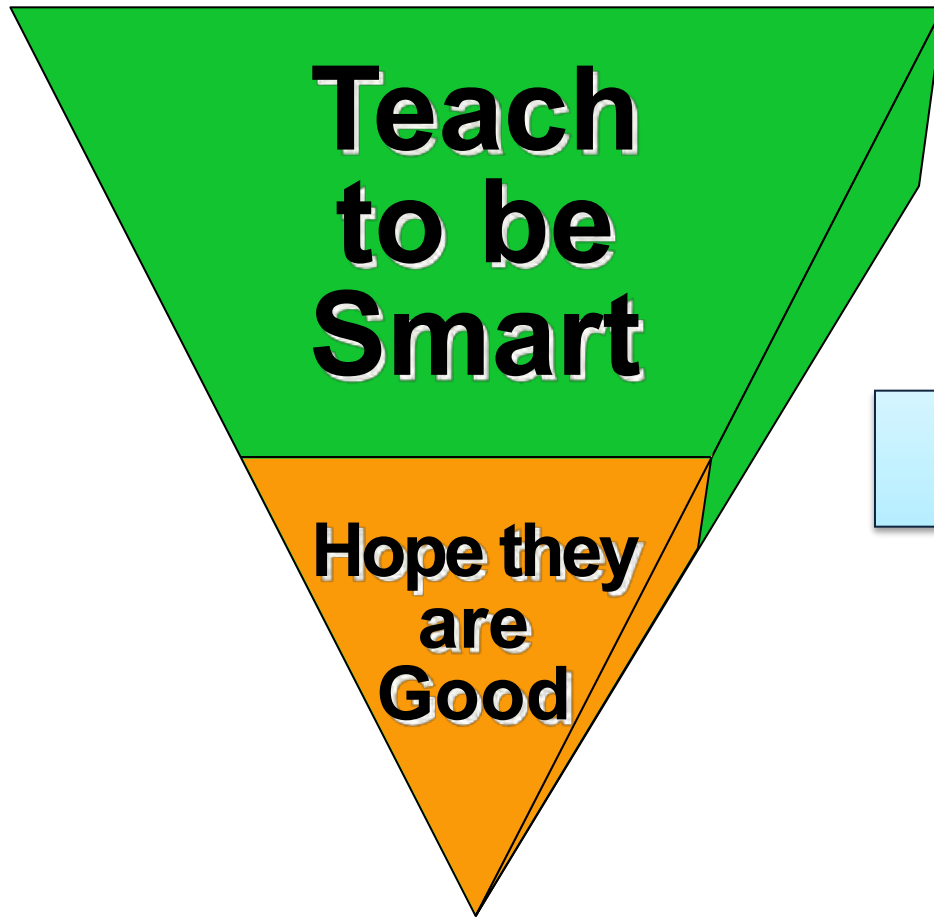

“**Ask** and it will be given to you;
seek and you will find;
knock and the door will be
opened to you.”

The Dual Nature of Education

1. Education to be smart
We must learn to be a genius.

2. Education to be good
We must learn to be moral.

Problem of Modern Education

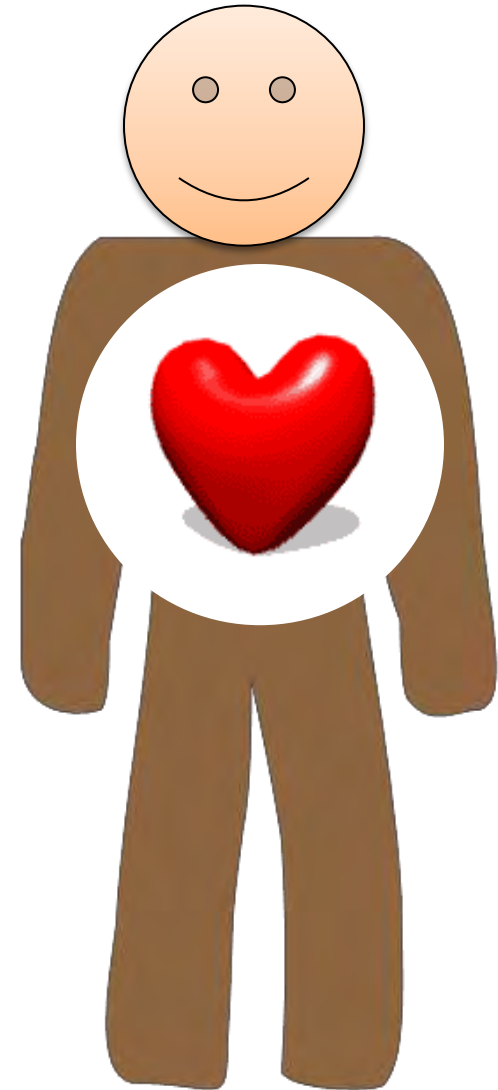

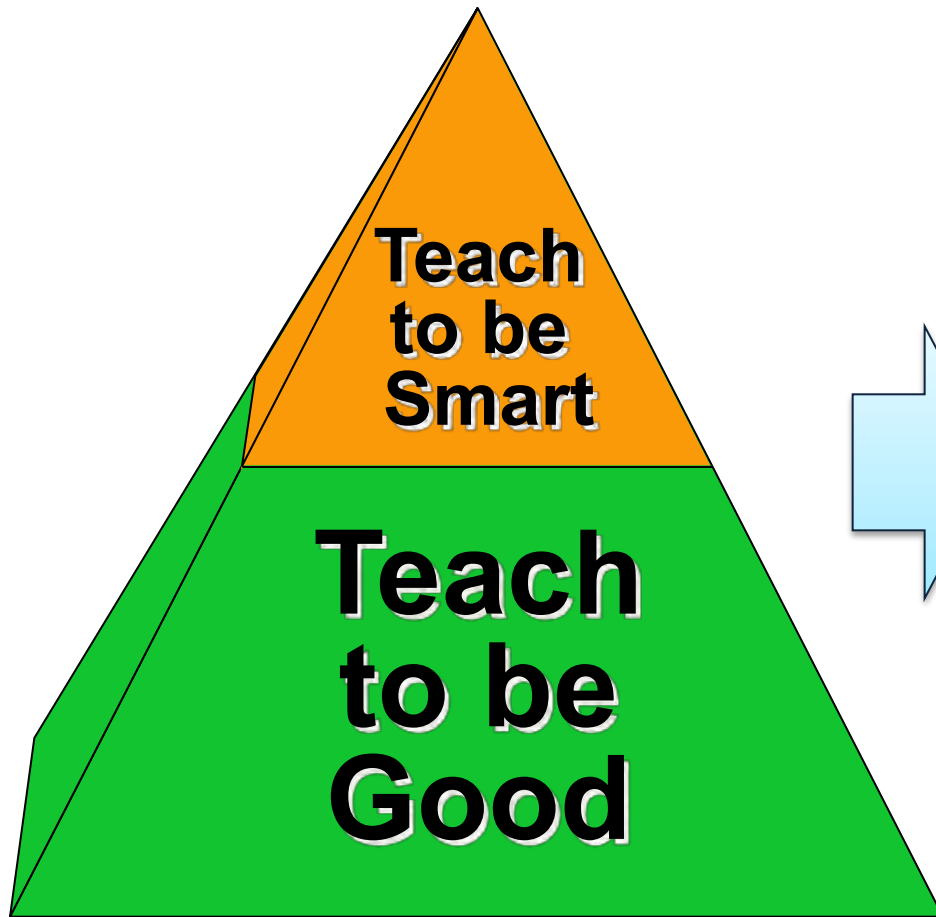

Evil Genius

“To educate a man in mind and not in morals is to educate a menace to society.”

Theodore Roosevelt
US President, 1901-09

A Balanced Education

Can we find a
universal definition
of Goodness?

All religions must agree!

Principle of Goodness

The sacrifice performed...
by those who desire no
reward, is the nature of
goodness.

Bhagavad Gita 17:11

Quran 74:6

Principle of Goodness

Cut the love of self ...
Develop the path of peace.

Dhammapada 20:285

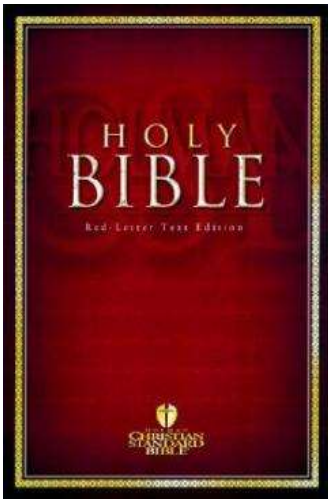

Principle of Goodness

Stingy, selfish people certainly do not go to the heavens... but noble men find joy in generosity, and this gives them joy in higher worlds.

Dhammapada 13:177

Principle of Goodness

Let no one seek his own good, but the good of his neighbor.

1 Corinthians 10.24

Principle of Goodness

養心莫善於寡欲

To nourish the mind there
is nothing better than to
make the desires few.

孟子 - Mengzi

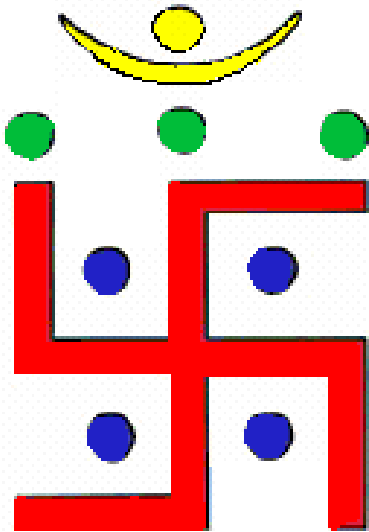

Principle of Goodness

One who serves and
seeks no payment finds
union with the Lord.

Adi Granth, Sukhmani 18,
M.5, pp. 286f. (*Sikhism*)

Principle of Goodness

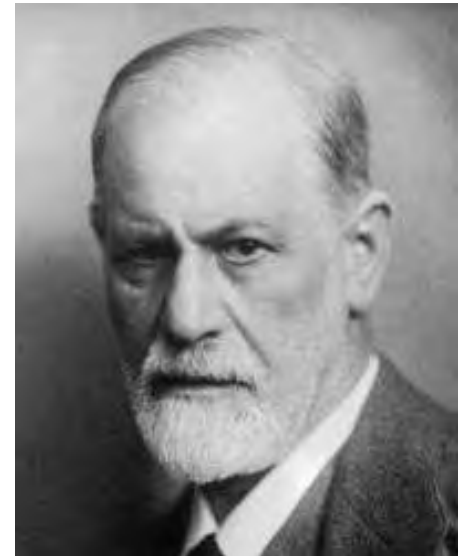

Rendering help to another
is the function of all
human beings.

Tattvarthasutra 5.21 (*Jainism*)

Principle of Goodness

Delayed Gratification; (Impulse Control)

an important component
of emotional intelligence
and maturity.

Sigmund Freud

Principle of Goodness

“Live for the
sake of others.”

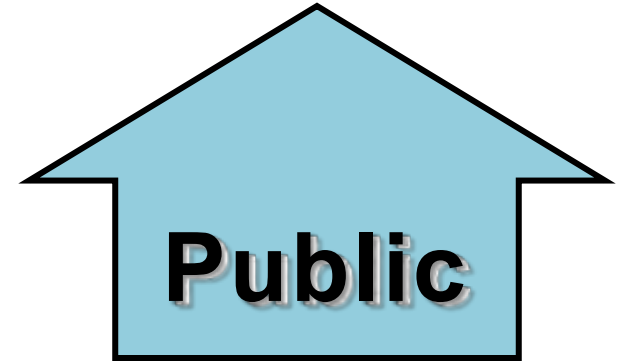

A true life is a life in which we abandon our private desires and live for the public good. This is a truth taught by all major religious leaders past and present, East and West...

Corruption

Largest Bankruptcy in Human History

Lessons Learned:

1. Poverty does not cause corruption.
2. Being “smart” will not prevent corruption.

Two Sides to Corruption:

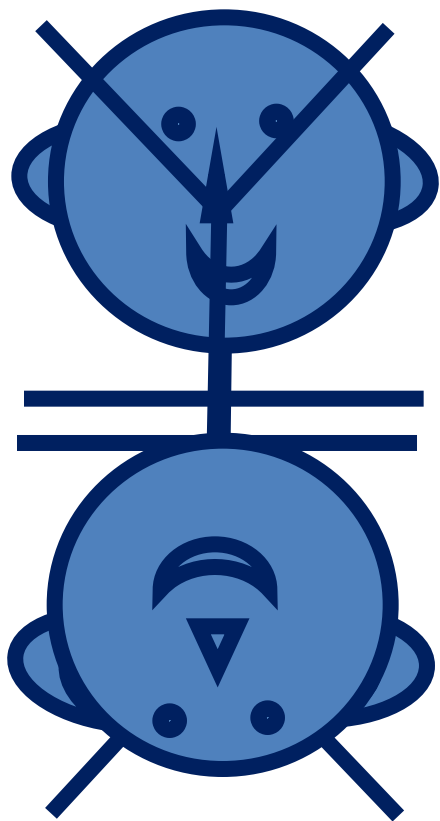

1. Public Money Misused
2. Kills the Spirit to Give,
to Live for Others.

Filial Piety

Gandhi-ji

I would like to see India free and strong... the individual, being pure, sacrifices himself for the family. The family ^{sacrifices} for the village, the village ^{sacrifices} for the district, the district ^{sacrifices} for the province, the province ^{sacrifices} for the nation, the nation ^{sacrifices} for all. I want Khudai Raj, which is the same thing as the Kingdom of God on earth.

Where does Peace Begin?

“...the individual, being pure, sacrifices himself for the family...”

Confucianism

百善孝為先

“Filial piety is the root of all goodness.”

Children's Love = Patriotism

Patriot

My nation is the best nation in the whole world.

If needed, I will even die for the sake of my nation.

Filial Child

My Dad and Mom are the best parents in the whole world.

If needed, I will even die for the sake of my parents.

Principle of Goodness

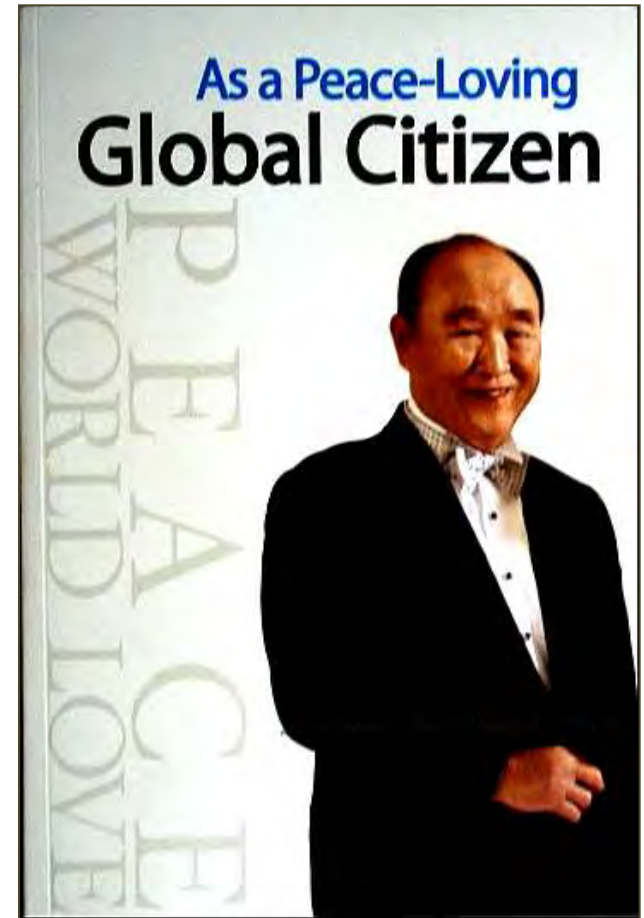

“Live for the sake of others.”

Two Lessons:

1. **Universal Definition of Goodness**
2. **Selfish Egoism = Root of the Problem**

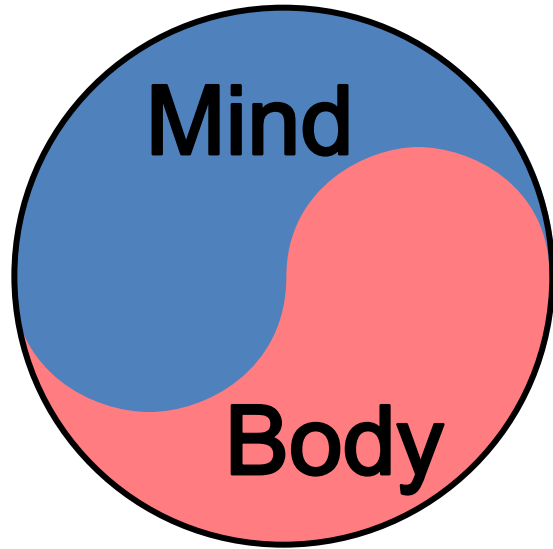

To realize that we exist for the sake of others is the great achievement that changes our lives. When we realize that our life is not ours alone but is meant to be for the sake of others, we begin to follow a path different from the one we were on.

We marry in order to resemble God.
God exists as a being of dual characteristics. Thus, husband and wife together reflect God's original nature...

Marriage is Nation-Building

Marriage is more than a simple coming together of a man and woman... Through marriage, a new future is created: societies are formed; nations are built... God's world of peace is realized with married families at the center.
