**D**ear Friends and ACLCL Members,

*Bishop Ki Hoon Kim*

Greetings in the name of our Lord. Thank you for your continued support. Your support brought great success to ACLCL's Peace Messages at the prayer breakfast meetings in 50 states. Some 25 ACLCL pastors traveled to many cities to help during our 40 days of activities. Through these prayer breakfast meetings we delivered God's messages on how to bring in the Kingdom of God and guided other religious leaders to follow the messages.

Thirty years ago, Rev. Dr. Sun Myung Moon declared, "Today, America and Christianity together must take up the sacred task of world restoration. America must unite the cultures of the West and the East, as well as the Middle East, and create one great unified culture, ultimately fulfilling the mission of establishing the Kingdom of God on Earth." (*United States Bicentennial Speech: "America and God's Will"; September 18, 1976; at the Washington Monument Rally*)

Now today 30 years later, Rev. Dr. Moon is urging that the United States of America, as a Christian nation and the Second Israel position, must fulfill her God-given mission to bring harmony and unity to Christianity. He mentioned also that America and Christianity should bring harmony and oneness among the world's 6.5 billion people to build the Kingdom of God on Earth. We all know these messages are not by Rev. Moon but rather this is Heaven's decree.

Genesis 1:28 shows us that God's ideal of creation was to build One Family Under God, the Kingdom of God. When we practice true love, we become one body and one spirit in God. ACLCL carries on the spirit of One Family Under God through practicing true love, not only here in America, but also around the world. We would like to launch a new federation of the International Clergy Leadership Conference for the world's religious leaders' activities to bring the Kingdom of God here on earth.

Thank you again for your support. See you soon in Ocean City for ACLCL's Fall convocation October 10 to 12.

God bless you and your family.

# ACLIC Clergy Prayed at Ground Zero for America to rise up to heal the World

ACLIC Clergy and religious leaders were in New York City on Tuesday, September 11, 2007. Six years ago we were here on Tuesday, September 11, 2001. Rev. Jesse Edwards, Co-President of ACLC, Rev. Mark Abernathy, ACLC, State of Georgia, Mr. Muhammad Khan, Rev. Murray, and a member of parliament from Africa went to ground zero tonight to pray.

Ground Zero on September 11, 2007

Rev. Jesse Edwards, Mr. Muhammad Khan, and Rev. Murray

It was a very moving moment. When we got there, we found so many families, firemen, police, and others praying in front of pictures and flowers of their loved ones. The sacrifice made on that day makes Ground Zero such a solemn place where everyone feels like turning to God.

Dr. Michael Jenkins at the Ground Zero (9/11/07)

Everyone who goes there feels that this place has become a holy place.

We joined hands after we looked at the pictures of those who were lost. One in particular was very moving; it was a note from a daughter to her father who died that day. It said, "We miss you, daddy." We joined our hands together, and each of us prayed. Automatically people gathered around us just to be connected with such a spiritual activity.

Rev. Mark Abernathy (left) is praying at the Ground Zero. (9/11/07)

America truly heals from this incredible condition and rises up to heal the world. As this occurs - the sacrifice of all who were lost in New York, Shanksville, Pennsylvania, and the Pentagon will not have been in vain.

### **Mission of the United States of America [An excerpt from The 13th Peace Message]**

During the two thousand years since the cross, God, in the background of history, has walked a suffering path that is beyond human contemplation. Through this course, He prepared the United States of America to serve as the sphere of the second Israel. As a Christian nation that includes Catholicism and Protestantism as well as the Orthodox world, the United States' mission is to bring harmony and unity to Christianity and, in the twenty-first century, fulfill the responsibility that had been the Roman Empire's, but which was not realized in Jesus' time. The responsibility, within God's providence, to bring harmony and oneness among the world's 6.5 billion people and to expedite the creation of a peaceful, ideal world, is on America's shoulders. These are not simply the words of Rev. Moon. This is Heaven's decree.

*Women  
in  
Ministry*

## Women In Ministry 3-Day National Conference Nov 29 to Dec 1

Dear Women in Ministry;

We are pleased to inform you that Women In Ministry will host its first National Women's Retreat and Conference in Norfolk, Virginia Nov. 29 – Dec.

1. The conference will focus on taking steps to bring reconciliation between women with Native American ancestry and women with Colonial European ancestry together with women from all races. The theme is **"Rebirth, Renewal, Reconciliation and Empowerment for a New Nation and World."**

The year 2007 has been proclaimed a worldwide Jubilee year by Father and Mother Moon. Here in the United States we are observing the 400<sup>th</sup> anniversary of the beginnings of this nation. In 1607 the first permanent settlement of Englishmen was established in Jamestown, Virginia. As Women in Ministry who seek to be healers of our communities, nation and world, there is no time like this Jubilee year to seek deeper resolution for the sadder parts of our nation's history.

On Nov. 30 conference participants will travel to Jamestown, a short distance from Norfolk, to offer prayers for the tragic history between our European and Native American

ancestors. There, we will have a chance to learn a little about this era of our national history. The following day we will be joined by women of Native American ancestry and women of Colonial descent and other women of peace from many diverse backgrounds to cross a Bridge of Peace with the support of Women's Federation for World Peace (WFWP), Native American Leadership Alliance (NALA) and Universal Peace Federation (UPF). We will each meet one woman on that bridge who will become our sister beyond all barriers of race, religion, ethnicity, etc.

Even though this ceremony will be in many ways symbolic, it is a seed for a new beginning as we enter our fifth century as a nation comprised of all peoples. Please join us for an unforgettable 3 days of inspiration, healing and peacemaking.

Sincerely Yours,

Women In Ministry Initiation Committee

## The Family of Abraham: One Family Under God

The 31st Middle East Peace Initiative August 22-28, 2007

The 31st Middle East Peace Initiative has expanded to a completely different dimension. Now there are four to five programs going on at the same time each day. A conference was held in Tel Aviv with a number of European members of parliament, former and current prime ministers, and prestigious journalists. The ACLC delegations went to Bethlehem and experienced the Church of the Nativity and then split up in groups of four, going to the homes of 30 different Palestinian Muslim and Christian families for lunch. Our delegates all brought gifts for the children, which makes a beautiful impact on the families.

*The Family of Abraham: One Family Under God Conference (8/27/07)*

This journey has opened up so many discoveries about the Holy Land and its people. God is moving in a mysterious way with MEPI. ACLC focus is truly centered on bringing people of faith and conscience together as the highest priority. ACLC Clergy realize more clearly than ever that the interreligious dimension of peace is the contribution we can truly make. The areas of politics, economics, and others have their importance, and there are capable leaders in those fields that are already doing so many things.

**“But the interreligious dimension of peace centering on one family under God is an area where we have a unique gift and skill.”**

Deep in the philosophy of MEPI, deep in the understanding of the goals of ACLC, is the idea that there is one God who created Islam, Christianity, and Judaism. Truly when we understand that, we can begin to appreciate that ultimately we are going in the same direction. We must recognize that we are **one family under God**.

## Prayer Breakfasts

# ACLC Chicago, IL invited Bishop Willie Jordan at Zion Healing Temple on August 21.

The spirit was empowering on Tuesday morning, August 21, 2007, as 123 pastors and support staff assembled for the August ACLC Pastors' Prayer Breakfast at Zion Healing Temple on the south side of Chicago. The church's pastor and host, Bishop James Hampton and his wife, First Lady Eddiemae Hampton, warmly welcomed every participant with their gracious hospitality.

*(Left) Dr. Paul Swanson, Bishop Willie Jordan, and Bishop Ki Hoon Kim.*

The program opened with three representative prayers for the city of Chicago, the state of Illinois and the nation of America. The expressed passion for saving God's children and building God's Kingdom set the tone for the remainder of the program. The highlight of the program was the main message presented by Bishop Willie L. Jordan of the renowned St. Mark Covenant Churches Fellowship. His message was centered on God's guidance in Deuteronomy 28:1 and he passionately

challenged the pastors to set the example in aggressively listening to God, understanding His Word and following His direction. He also expressed his heartfelt appreciation for his invaluable experiences with the ACLC.

## Prayer Breakfast Meetings

# ACLCLC Boston, MA invited Dr. Walter Fauntroy at Boston Church on the Hill on Sept 10.

Our honorable guest speaker Dr. Fauntroy was introduced by Imam Seifullah. Dr. Fauntroy spoke for about one and half hours instead of 30 – 40 minutes. Although his speech was long, participants enjoyed it with constant applause. He testified about his role and mission with ACLC, and the activities of the Unification Movement with Rev. Sun Myung Moon.

*Dr. Walter Fauntroy preaching on the program at the Boston Church on the Hill. (9/10/07)*

September 10, 2007 will be remembered in the history of ACLC activities in New England District as the day of total victory for God, True Parents, our entire leadership and all members. Our host Pastor, Rev. Ellis and members worked around the clock to invite Ministers, Ambassadors for Peace, friends from the State House, the Attorney General office. They sent emails and invitation cards. They prepared the hall, the meals, and always sending words of encouragement to all of us about the coming victory.

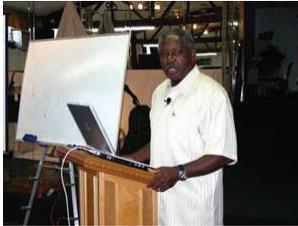

### **Boston ACLC Prayer Breakfast Meeting**

He emphasized his involvement with our movement as a group of people who have heaven on their view. Rev. Moon and his movement are people who talk the talk and walk the walk. He compared Rev. Moon to Daddy Grace who was criticized for feeding and providing housing for the needy; Father Divine for providing breakfast, lunch, diner and hotel accommodation for five cents.

## ACLCLC Chicago, IL has kept Monthly Divine Principle Seminar for Clergy for three years.

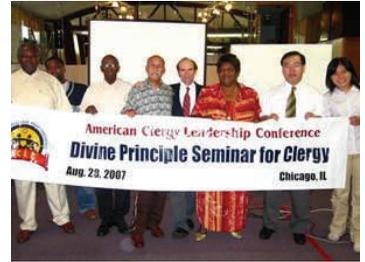

On Tuesday, August 28, we conducted our 30<sup>th</sup> consecutive monthly Local Divine Principle Study for Clergy at Rev. Weston's Hope Evangelistic Ministries International. The topic was the "Principle of Creation". Rev. Steve Nomura was the MC, Rev. Ken Murray covered from *Dual Characteristics to the Purpose of Creation*, and Rev. Dr.

Rev. Dr. Willie Weston, Sr.

Willie Weston, Sr. covered from the *Growing Period to the Spiritual World*. Clergy participants included Rev. Willie Weston, Jr., Rev. Samuel Day, Bishop

Charles Lewis and Rev. Maxine Williams (first time). Kuniko Koga and I assisted with the program. As in last month's study, it was powerful for a Christian pastor to explain the principle to other pastors. Rev. Weston's presentation was filled with passion and supported with many Bible verses. He taught like he was preaching and the pastors were very inspired! The foundation is now strong to invite many more pastors to study with us in the future.

## ACLCLC Wisconsin invited Rev. Mark Abernathy for International Day of Peace Rally at State Capitol in Madison on Sept. 23, 2007.

On Saturday, September 22, the Wisconsin Family held its International Day of Peace Rally on the steps of the state capitol in Madison. The theme of "One Global Family Under God" was enthusiastically received by the multi-culture gathering. Rev. Mark Abernathy, ACLCLC pastor from Georgia, delivered a passionate call for reconciliation of all religions, races and cultures. Rev. Marian North called for women to understand their central role in building peace within the home and community. Rev. Isaiah Miller's closing prayer expressed a serious commitment before God to pursue peace in all relationships in daily life. The music performed by

Rev. Mark Abernathy (9/23/07)

Rev. McNair (Madison), Karyn Halmstad (Milwaukee) and Ray Figueroa (Chicago) enhanced the joyful spirit of celebration. Afterwards, 40 participants gathered at the Concorde Hotel for an ACLCLC Prayer Luncheon. Rev. Mark Abernathy again shared a meaningful message about maintaining faith and dedication, regardless of recognition, in working for God's Kingdom. Jim Anderson did a wonderful job as MC for both events and Rich Rubasch and Heidi Vetterli did a great job in arranging the programs. We extend our sincere thanks to all who participated in these events (including 17 from Chicago) and helped to achieve a great victory!

## Montana ACLC Supported 6th Annual Memorial Prayer Service in Billings Community.

Rev. Michael Yakawich, Co-Chairman, ACLC Montana

*ACLC Clergy joined walk for peace on Sept. 11, 2007*

*Participants walk along the bike path near MetraPark on Tuesday.*

**H**ere in Billings, American Clergy Leadership Conference (ACLC) and church leaders gathered to hold the sixth annual memorial prayer service.

This year's service included a keynote address from assistant Fire Chief John Staley on his thoughts of what the day means to him. Church leaders say today is a day to be thankful for what we have and remember those we've lost. "You can look around and see there's a lot of people that feel an infinity for this. They care about it, they want to keep on remembering it and we will keep doing it as long as people want it," says ACLC Montana State Co-Chairman, **Rev. Michael Yakawich.**

About 75 people gathered on the Yellowstone County Courthouse lawn at noon Tuesday for prayer. **Rev. Yakawich**, a pastor at the Family Church, helped start the memorial prayer service in 2001 after multiple parishioners called him asking what they could do to help. That first Sept. 11, about 20 people from several faith communities gathered to pray for peace.
