

How-to Multiply Holy Items

Providential Background of Inheritance of 'Holy Items'

On June 13, 2006, the ceremony for Coronation of the King of Peace in Heaven and on Earth was held after the Entrance Ceremony of the Cheon Jeong Peace Palace. During the ceremony, the royal seal and golden scepter symbolizing the King of Peace were dedicated to the True Parents by Hyung-jin nim and Chairman Kwak.

This was followed by hoisting of the Cheon Il Guk flag and singing of the Cheon Il Guk anthem "Blessing of Glory." Then True Father declared the establishment of Cheon Il Guk, and True Parents bestowed the Cheon Il Guk Scripture that contains words of truth and Holy Items consisting of Cheon Il Guk holy wine, Cheon Jeong Palace holy candle and Cheon Jeong Palace holy salt representing the tradition of Cheon Il Guk on each of the representatives of 10 continents.

As the result of this, it was decided that holy wine, holy candles and holy salt that had been used previously were to be returned to the church for disposal. Subsequently, the holy items were bequeathed to each Blessed Family through the "initiation ceremony of holy items" presided by ministers in each country.
