Master's Answers to The Questions

When Are you to Bless the Saints in the Spirit-world in Sacred Marriage?

"None of them have been. I will not bless those in the spirit-world until I die. If I were to bless them they would not help you to achieve your perfection. Eventually the physical world and the spirit-world will be equal in stature. But now, in the spirit-world, because they know everything, their attitude of attendance will be perfect, whereas the attitude of the saints on the earth will be imperfect. Thus the saints on the earth would be left behind while the spirit-saints in the spirit-world would be advanced, were I to bless them now while I am on the earth.

"Those spirit-saints in Paradise have nothing to do but attend and worship. They do not have to, as we do here on the earth, earn money or witness. If I blessed them now, the saints on the earth would be far behind.

"After the complete restoration of both the spiritual and physical worlds, the spirit-world will be more in the subject position rather than present objective position. This is another reason that I will not bless them until I get there myself.

"Perfection means complete restoration of the whole world. In that perfect world, all men and women should live freely. After they really become perfect, there is no new growth but they must enjoy and glorify God the Father in eternal youth."

Where did the Holy Spirit Come From?

"The Holy Spirit who worked with Jesus was the element of the original Eve. When Eve fell, the essence of the female returned to God. When Jesus came as the Second Adam, there was no counter-part of the female which was given to Eve, worked with Jesus as the Holy Spirit. The Holy Spirit is like wind or power. It has no body.

"In Genesis, it is said God 'breathed' His Spirit into Adam and made a living soul. That breath is the power that was given to Adam. That power was taken back to God when Adam fell as in the case of Eve.

"This does not mean that the breath was Adam's spirit-man. Adam's spirit-man is in hell now. Eve's spirit-man is in hell, too. It is not their spirit-man which was given to Jesus and the Holy Spirit, but the POWER to make them the perfect man and woman. When you are speaking of the Holy Spirit, it is all right to say 'IT'. You do not need to say 'SHE'. If it is just wind or power, we can say 'IT'."

What do you mean by "Hell"?

"It is a lower level of the spirit-world. Even those in hell have hope for a vertical relationship with God. God still has hope for them."

Wisdom

by Marie Laux

Wisdom is but a vapor of
the power of God.
As is simplicity of mind, heart,
thoughts and words.
Yet, she is more active, than
other active things.
She is kind, gentle, secure
and understanding.
With very little thought
of self,
Having all power, overseeing
all things
The spotless mirror of God's
majesty
The brilliancy of eternal
light
The souls of the just are in
the hands of God.
Death shall not touch them.

You who trust in Him
shall understand the truth.
You who are faithful in His
love shall rest in Him
For His grace and peace will
be yours thru eternity.
The root of all wisdom
never faileth.

Why Integration? Why Segregation?

Reliable Negro leaders say that the Negroes themselves, to a great extent, do not want integration.

To take a stand for racial purity - for the Negro as well as the White, means combating the anti-Christ, racial propoganda of the Communist Party, integration-minded so called preachers, the NAACP, the liberal press, the money of certain tax-exempt foundations, and left-wingers in both political parties who are seeking the Negro vote, etc.

There is no justice in destroying a people's race - white, Yellow, Red, Brown or Black.

The article insists on segregation with the following three reasons:

1. Segregation is in accord with the Divine Will of God as manifested in the Created Order. Jehova created the races separate and distinct, and hath determined "the bounds of their habitation" (Deut. 32:8, Acts 17:26). It is unnatural to force an unnatural state of being through miscegenation.

2. The proponents of integration are advocates of total integration, not just integration of the schools and churches - these are merely the first steps. There is no question but what their plot is to integrate the White and Black races completely.

3. Segregation serves the best interest of both the White and Negro races. Amalgamation will bring with it a consequent disintegration of both races; and, if time continues the United States will consist of a hybrid race and a mongrel culture!

Israel Cohen, Jew Communist, wrote in 1912:

"We must realize that our party's most powerful weapon is racial tension. By propounding it into the consciousness of the dark races.....we can mold them to the program of the Communist party.

"In America we will aim for subtle victory. While inflaming the Negro minority against the Whites, we will endeavor to instill in the Whites a guilty complex....

"We will aid the Negroes to rise in prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites and begin a progress which will deliver America to our cause."

The editorial concludes:

"The Communist Party officially adopted this program and it has been the basic policy of the Communist ever since!" (Source: Editorial, "Christian Journal", 20th Year, No. 4, 1966 published at Oakland, California)

**The editor urges you to collect material on the view of "Why Integration?" in order to formulate your opinion from the position of our United Faith.

Mormons' Semi-Annual General Conference
Held at Salt Lake City, Utah

On the first weekend of October, the 136th semi-annual general conference of the Church of Jesus Christ of Latter-day Saints (Mormon) was held at Salt Lake City, Utah; and one of the topics discussed by the speakers was the signs of degeneration in modern society.

Presiden N. Eldon Tanner, a counselor to President David O. McKay, said:

"People today are faced with more evil, serious problems, and challenges than ever before. From the History of mankind we learn that as man and the world prosper they have a tendency to forget God, and depend on their own knowledge and strength.

"As a result, millions of men and women are disturbed and confused, and many of them are committing suicide. The solution lies in individual responsibility and in basic Christian teachings.

"If we are to stop the onslaught of immorality, divorce, and family disintegration, lawlessness, strife, riots, burglaries, murders, and crime and deception, we must not ask what are others doing about it.

"We must ask and answer the question 'What am I doing'? The teachings of Jesus Christ can be summed up in the Ten Commandments. No one will argue that the keeping of the Ten Commandments would not make for a better and happier individual, or contribute to a happy and spiritual home, a better community and a better world in which we live."

The Search
by Alfred Kwong

Many of us have stumbled along our paths to reach a certain goal. May this goal be material or non-material, it is a goal to keep man along a certain path. But this path is shaky if he walks toward material things because there are doubts of ever satisfying one's self with just reaching one goal, such as, trying to buy a color television and not being satisfied by its workings after attaining it.

Goals along the line of intrinsic goals may be satisfying when attained if those goals are constructive toward a certain end. Once the means are satisfied, the goal is attained. Satisfaction and understanding is possible after the end is reached. It is only thru the logical order of events thru the means that one attains the end.

Make love your goal and the means to get to finding and attaining love in all forms your faith that one will succeed.

Self-assurance and faithfulness in your task will give you strength to reach that certain searching which has been a part of a life time of work.

Love is attained thru faith. Love is all powerful. Make it your life.

I believe in God, the Father All Mighty. His love for us has been ignored long enough. It is time for all to return His love for us. To make all relationships between men on earth more joyful, happy, and more meaningful, our love to God must be demonstrated.

Esther Carroll

I recently met a lovely couple that I will follow up on - very good thus far - we'll see what happens.

Last Wednesday I got to speak a few words at a Church meeting, and later a woman got my phone number to call me as guest speaker for some Church groups.

In Longview Saturday I met a business man and we became involved in a deep discussion regarding religious beliefs and the Principles. He is most interested to continue this discussion and hear some of the Principles so he will get together with Jim and make arrangements for a convenient time. It will be a good opportunity to continue teaching Jim as well. This looks very promising.

BRIEF NEWS REELS:

Berkeley, California

Marie Laux was hospitalized on October 4th. Now she has recovered from her operation.

Oakland, California

The Monthly Bay Area family meeting was held at Lowell Martin's home on October 14th.

Los Angeles, California

The "Little Angels" arrived at the Los Angeles International Airport on October 14th at 7:05 P.M. The captain of the party is Mrs. Bong-Ai Park. We do not know why the original schedule to stop in San Francisco was changed. The two missionary couples were ready to welcome the party from headquarters. After receiving information that the schedule had been changed, Mr. Chei planned to fly to Los Angeles, but unfortunately his way to the airport was blocked by an accident, and he missed the plane.

Mr. David Kim, in Utah, called to Los Angeles a few days before their arrival and informed the family of the time of the "Little Angels" arrival so that they could welcome them.

San Francisco

On October 11th members of the Heavenly Family together with friends of the family gathered together in San Francisco to celebrate Chinki Chei's first birthday. Mrs. Chei and Mrs. David Kim prepared a delightful Korean dinner.

Mr. Chei (Mr. Nishikawa) has received a letter from our Master, Seoul, Korea dated October 2, 1966. In His letter to Mr. Chei, several questions by Mr. Chei were answered clearly and directly from Our Master. Here is a summary of the letter:

1. Mr. Chei does not have to go to Chicago now as Master had originally assigned him to do.
2. Mr. Chei has been officially re-assigned by Our Master to stay in San Francisco, working together with Mr. David Kim and his family.

3. The present missionary jurisdiction in our movement has been divided into the West and the East as the four missionaries now have their headquarters. Our Master officially recognized the two divisions in his letter to Mr. Chei.

4. From now on there is to be no more discussion on the problem of uniting with Washington, D.C. Our Master will take care of it when He comes to America.

5. Our Master has sent a letter having the same content to Jim Flemming in Washington, D. C.

The editor wishes to remind the readers that the Northwest family has directed this way from the beginning. Regardless of the ill-treatment to Mr. David Kim and Mr. Chei by members of the family raised by other missionaries, it is our desire to unite in heart with love for the purpose of fulfilling our Heavenly Father's Will. Uniting on paper cannot accomplish this; but only as we unite in love can we march on to victory to fulfill our responsibility to the One who has blessed our nation so bountifully.

Our Master has clearly indicated the way our American family should go, and who will be the teachers and advisors in each locality.

The editor denotes that some of the members in California may still believe:

1. One of the pioneers is to rule the entire United States.
2. We do not need to have a Korean missionary as advisor because the American family is strong enough in spirit and body to carry on at the front line of battle.
3. If a member of the family goes to another missionary other than the one that he or she was originally with for consultation and counsel he or she will be under pressure. (This belief causes fear and anxiety among the family).
4. A man and woman in Washington, D.C. are in the capacity of Adam and Eve, forming the four position foundation with Master and the American families; therefore, the missionaries are not needed.

The editor warns that these are non-principled ideas or beliefs. We must find our proper position with a broad perspective for the total dispensation for this nation.

Thoughts for Inspiration

Prayer is the soul's sincere desire, unuttered or
expressed
The motion of a hidden fire, that trembles in
the breast.

Selections from "The Prophet"

by Kahlil Gibran

On Pain

Your pain is the breaking of the shell that en-
closes your understanding.

Even as the stone of the fruit must break,
that its heart may stand in the sun, so must you
know pain.

And could you keep your heart in wonder at
the daily miracles of your life, your pain would
not seem less wondrous than your joy;

And you would accept the seasons of your
heart, even as you have always accepted the
seasons that pass over your fields.

And you would watch with serenity through
the winters of your grief.

Much of your pain is self-chosen.

It is the bitter potion by which the physician
within you heals your sick self.

Therefore trust the physician, and drink his
remedy in silence and tranquility:

For his hand, though heavy and hard, is
guided by the tender hand of the Unseen,

And the cup he brings, though it burn your
lips, has been fashioned of the clay which the
Potter has moistened with His own sacred tears.
