

40 Years of True Father's Work in America

Michael Balcomb

March 15, 2014

Unofficial notes from conference call with USA leaders

1. You can see True Mother's work and activities on the Family Federation website. Please take a look and keep True Mother in your prayers.
2. The Peace Palace in being worked on in Las Vegas, and should be completed in September. After that True Mother will spend a lot of time working from this Peace Palace.
3. True Mother is emphasizing witnessing and we should join in this activity.
4. True Mother wants to set up the model CARP Center that can be multiplied, starting in Las Vegas.
5. A Holy Ground Pilgrimage will take place this year to commemorate 50 years Anniversary since Father established them in 1965.
6. The theme of the Anniversary of Father's Seonghwa this year is "40 Years of True Father's Work in America."
7. We should reach out to our members who left our Church. Mother is keen to welcome these members back.
8. Every single member of the Church should make a commitment to some type of witnessing. There are many ways to reach out -- former members, family, friends, current members who are not active, neighbors, traditional witnessing. Do what is comfortable for you.
9. The Kodan Conference this weekend was held at East Garden. We could feel True Father's presence very strongly. True Father is working through True Mother on Earth.
10. The Peace Palace in Las Vegas was begun by True Father, and this is going to be True Parent's residence and an International HQ.
11. The money to build this has come from True Parents and mainly from Japan. Dr. Balcomb wants to begin a fundraising effort for America to join in building the Peace Palace. This will happen soon.
12. True Mother is designing the interior of the Peace Palace. It is the first Church we built totally ourselves in America.
13. True Mother wants us to upgrade our church buildings. New buildings that we are making are inspiring and also have an income aspect. HQ may help in funding some new local Churches.
