Preparation for the 55th True Parents' Day - Spend it with True Mother in Hawaii

Michael Balcomb
March 25, 2014

Dear Families,

Next Monday, March 31, we will celebrate the 55th True Parents' Day with True Mother, who is currently in Hawaii. She has extended an invitation to any USA member who would like to attend the celebration to go to Kona for a couple of days and join with some of our leadership who will be gathering there.

Most of us will celebrate the Holy Day in our own local churches, or even in our homes. We should think on the origins of True Parents' Day, the first Holy Day created by True Parents back in 1960, and the long course of restoration until today. We should always pray that True Parents will quickly be recognized throughout the world, and that the Blessing will become known to all.

I'd like to encourage all families to make a "Holy Day Donation" at their local church this coming Sunday, or by mail to your local or District office. The Bible says that as we give, so shall we receive; and as we sow, so shall we reap. I am aware that we have been "sowing" a lot of seed lately, and I am confident that a rich harvest of blessings is on the way.

Thank you!

Dr. Michael Balcomb
President

Dear Families,

I have confirmed that any family members able and willing to come to Kona to celebrate True Parents Day are welcome.

The basic schedule is something like this.

Arrive Sunday 30th

Accommodations and lodging prepared by reservation, for a modest nightly fee. (leaders are covered)

Monday 31st 8:00

AM service, brunch, visit True Parents Foundation in Kona
Proposed visit, stargazing and prayer to Mauna Keia

Tuesday April 1st

Early morning Hoon Dok Hae for the 1st of the month
Sightseeing the Big Island Dinner [evening departures acceptable]

Wed 2nd

Departures

All costs must be borne by participants. However, I note that from some West Coast cities the round-trip airfare is under \$600

Thank you

Dr. Michael Balcomb
