Happy Day of All True Things!

Ki Hoon Kim and Michael Balcomb
May 28, 2014

Dear Brothers and Sisters,

Dr. Ki Hoon Kim and I, and our families, would like to take this opportunity to wish you and your families a very Happy Day of True All Things, which we celebrate tomorrow, May 29th (5.1 by the Heavenly Calendar. This morning we received a beautiful Holy Day greeting from our Family Federation in France. They chose a favorite sections from the *Cheon Seong Gyeong* as their reading, and we would like to share it with you here:

“If God had been thinking only about Himself,
would He have created heaven and earth?
Creation requires an investment of energy.

An artist's great hope is to create a masterpiece.
An artist invests all his effort into making great works of art.
A masterpiece appears only when the artist gives everything,
and feels he cannot give any more.

Creation starts with investing oneself...
The creation was the beginning of God's work
through which He determined not to exist for His own sake,
but for the sake of His object partner.”

True Father, (78-111, 1975.5.6, Cheon Seong Gyeong, book 1, chapter 2)

As we are all made in the image of our Heavenly Parent, let us take a moment to give thanks and to appreciate all the many blessings from the creation we have received in our lives, and for our good fortune to live in this land of America. Most of all, let us give thanks for the presence of our True Parents here with us in America for so many years.
God bless you all!

Sincerely,

Dr. Ki Hoon Kim
