## **The 38<sup>th</sup> Anniversary of the Yankee Stadium Rally!**

Ki Hoon Kim and Michael Balcomb  
June 1, 2014

Dear Families,

Thirty-eight years ago, on June 1, 1976, our beloved True Father spoke at Yankee Stadium in New York. He gave an urgent appeal to America to turn back to God.

At the time, his message was translated as “**God’s Hope for America**,” but recently the original text of the speech in Korean was located. The title that Father himself chose was “**America IS God’s Hope!**” which adds even more meaning to this historic and providential message.

Please take some time today with your families to reflect on this important landmark event for God’s providence in America. If you have time to do so, you may enjoy this 25-minute video of Yankee Stadium. The video quality is not high – it was 1976 after all – but there is lots of historical footage to enjoy. Father’s entire message is narrated. Watch it now here:

You may also wish to show the first two minutes as a “teaser” in your announcements in church today! Also, you can hear Father declaring the message in his own words at around the 12:00 minute mark.

Thank you, and God Bless you and your families! See you on the Holy Ground Pilgrimage!
