UTS and the June 21 meeting of the HSA-UWC Board of Directors

Michael Balcomb
June 26, 2014

Dear Brothers and Sisters,

Writing to you from Phoenix, Arizona on the 5th day of the God's Hope for America Tour,

I wanted to let every community know about the latest developments at UTS, so please read the attached letter.

If you have any questions regarding admissions or the Impact Campaign, please communicate directly with UTS.

Thank you and see you on the tour,

UTS and the June 21 meeting of the HSA-UWC Board of Directors

June 25, 2014

Dear Brothers and Sisters,

We are pleased to announce that, at its June 21 meeting in San Francisco, the HSA-UWC board of directors reaffirmed its commitment to the growth and success of UTS through its undergraduate program, Barrytown College, and its graduate school offering 3 distinct Masters programs and a Doctoral program.

In particular, the board noted the promising recruitment results for the entering Fall 2014 class at the college, with expected enrollment of roughly *twice as many* new students as from the first year's class!

The board also recognized the growing recruitment taking place for the UTS graduate school, including the Masters programs taught at the 43rd street campus in NYC and the Doctoral program offered 4 weeks per year in Barrytown, both under the leadership of Dr. Kathy Winings, *Vice President of Academic Affairs*.

We would also like to take this opportunity to announce the appointment of Dr. Michael Mickler to the position of *Vice President of Institutional Resources* at UTS and Dr. Keisuke Noda to the position of *Interim Dean of the College*. Both will continue to serve as full professors, while they contribute to the governance of UTS and oversight of its programs and resources.

In response to requests by first year students at the College, the UTS faculty will be revising the undergraduate curriculum in the coming weeks to add more electives including a number of courses in the Media Arts.

The *Barrytown Impact Campaign*, a fund-raising appeal, is being launched July 1 to give our supporters an opportunity to help us grow. One of the main needs will be to continue with the renovations being made to the East Wing of the main building where the college dorms, library, classrooms, and recreation facilities are located. A new entrance is being built, which will become the main entrance to the college. If you would like to contribute, please visit our donation page at www.barrytown.uts.edu/donate.

Finally, we would like to thank all of the brothers and sisters who have been supporting the future growth of Barrytown, which we believe will serve as a key Unificationist educational resource for decades to come.

Sincerely,

Michael Balcomb
Chairman of the Board, UTS
