The day of God's Eternal Blessing and the day of Cosmic Sabbath

Michael Balcomb
July 27, 2014

Dear Brothers and Sisters,

We are on our way to our 43rd Holy Ground Prayer on the God's Hope for America Pilgrimage, in St. Paul, MN. We are feeling the real, living presence of God and True Parents every day.

Today is a day of blessing on so many ways. We celebrate two holy days, the day of God's Eternal Blessing (7/1) and the day of Cosmic Sabbath (7/8) taken together these days celebrate both our holy responsibility, our 5%, and God's power, majesty and grace.

Not only that, but today, the 4th Sunday of July, is also National Parents' Day. Established by True Parents, ratified by Congress, and signed into law by then President Bill Clinton, this is an important day for all of us and all Americans. Please do your best to support our local and national celebrations.

As you know True Mother is celebrating these holy days here with us in the USA. She is now in Hawaii, leading the Aloha workshop with all the wonderful youth from around the world. We will send you a report of her message today as soon as possible.

Once again, thank you, and God bless you!

Michael Balcomb,
President
