True Mother is providing college-aged Unificationists with an opportunity to study abroad in Korea. This scholarship includes one year of Korean language classes and four years of undergraduate studies. Students can learn Korean and pursue their undergraduate degree in the humanities, social sciences, natural sciences, engineering, and other majors, together with students from around the world.

As a bonus, The Family Federation for World Peace and Unification USA (FFWPU USA) is extending a modest scholarship to all successful American candidates to help support dormitory and meal fees, which are not covered in the above scholarship.
