Re. : Announcement regarding the conclusion of *HoonMo* (訓母)'s public mission in the era of the substantial True Parents

May our Heavenly Parent and True Parents' blessings and love be with all regions and leaders in the mission fields.

In attendance to the True Parents as the center of the providence, the worldwide Unification Movement is investing tremendous devotion and efforts at the frontline of the providence to victoriously offer Vision 2020 to the Heavenly Parent and bring about the firm establishment of Cheon Il Guk.

The Cheongpyeong providence began on July 12, 1971 with the dedication ceremony of the original (first) chapel. Since then, for 44 years, Cheongpyeong has played a central role in True Parents' providence to establish the restored and completed Garden of Eden as well as a model for Cheon Il Guk.

The first stage of the Cheongpyeong providence lasted 24 years from July 12, 1971 to January 19, 1995. During this period, Cheongpyeong [training center] was in charge of FFWPU's inter-religious and inter-denominational work, the education of FFWPU church leaders as well as the Divine Principle and spiritual education of church members.

The second stage of the Cheongpyeong providence was from January 19, 1995 to October 26, 2014. During this 20 year period, under the dominion of True Parents, Moon Heung Jin-nim and Daemo-nim (grandmother Hong Soon Ae), engaged in special dispensations: ancestors' liberation, ancestors' Blessing and the development of the Cheonwon area.

The third stage of the Cheongpyeong providence began on October 27, 2014 when True Parents specially *blessed and sanctified* (聖域化) the Cheongpyeong Holy Ground as *Bonhyangwon* (本郷苑 - original hometown and resting place) of the Heavenly Parent and all humanity. Since then, True Parents have directly led and guided both the Cheongpyeong providence and endeavors aimed at creating the proper environment for the Cheongpyeong works.

In this time and era of True Parents' direct dominion over the Cheongpyeong works, True Father in the spirit world and True Mother on earth have directly been bequeathing grace and blessings through the Great Works workshops. Through these workshops and the blessing of 420 generations of ancestors, blessed families can complete spiritual salvation, be born anew as tribal

messiahs of substance who practice the ideal of the three great blessings and through the direct and substantial support of the spirit world, transcend the individual level and achieve spiritual and physical development at the levels of family, tribe, nation, world and cosmos.

For the past 21 years, *HoonMo* attended Heung Jin-nim and Daemo-nim in the spirit world and was the providential figure of the Cheongpyeong providence. On March 6, 2015, True Parents recognized *HoonMo*'s meritorious service and declared the completion of her mission. Henceforth, the title of *HoonMo* (訓母 – Teaching Mother) that was bestowed by True Parents on Sept. 25, 2000 in the Main Hall of the Cheongpyeong Main Building is no longer to be used when addressing Kim Hyo Nam. In addition to recognizing Kim Hyo Nam's contributions to the providence, on December 24, 2015, True Parents have asked Kim Hyo Nam to fulfill her original duty as a blessed family by completing the mission of Heavenly Tribal Messiah.

The FFWPU International HQ requests that all regional and national leaders familiarize themselves with these contents and guide leaders and members in the field. Furthermore, we humbly request your wholehearted support for the greater progress and development of the Cheongpyeong Providence, which is under the direct and substantial dominion of True Parents.

※ For your reference: We would also like to inform that True Parents have directed that the title of *Hoonsa*, which is used by some people, should no longer be used.
