I. National Charter for Local Churches

This document sets forth the structure for Local Churches of the Family Federation for World Peace in the United States of America.

Statement of Purpose

A Local Church is established for:

the worship of God,

the proclamation of True Parents, Rev. Sun Myung and Dr. Hak Ja Han Moon,

the study, teaching and practical application of the Divine Principle,

the promotion of the Holy Marriage Blessing,

fellowship within and beyond our community,

the expansion of True Parents' leadership in America and the world, and

creating and expanding God's Kingdom of heaven on earth.

Affiliation

The Local Church is a branch of the Holy Spirit Association for the Unification of World Christianity (HSA-UWC) / Family Federation for World Peace and Unification (FFWPU), a religious nonprofit organization with national headquarters in New York, NY, and world headquarters in Seoul, South Korea, founded by Rev. Sun Myung Moon and Dr. Hak Ja Han Moon.

A Local Church will comply with all legal policies of the Corporation.

Establishment

A Local Church is established based on a petition from a local community, with the authorization of the National President. Local Churches established prior to this document will be considered as authorized.

A Local Church may be closed for cause by the National President with approval of the National Council, or by a 2/3 vote of the local church membership.

Membership

Requirements for Membership:

Members are those who choose the Local Church as their church "home" as defined by the Church Council.

Members shall have completed the basic membership criteria determined by the National Headquarters.

Members support basic membership expectations to be determined by the Church Council, such as worship, tithing, and an educational path.

Rights of Membership

Members may participate in Local Church activities.

Members have the right to express their heart and concerns to the Pastor and/or the Church Council, make new proposals and to report abuses, or perceived abuses, without fear of reprisals.

Members will receive regular financial reports from the Church Council.

Members have the right to elect the members of the Church Council.

Members have the right to vote in Church Council elections based on the following requirements:

They must be a member in good standing. This is automatic unless revoked by the Church Council for serious violations of church principles as determined by the Pastor and two-thirds of the Church Council. Any revocation may be appealed to the District Leader or National Council.

They shall be at least 18 years old or have received the Marriage Blessing.

Other membership status may be determined by the Church Council.

Church Council

The Church Council is elected as the governing body for the Local Church in cooperation with the Church Pastor and the National Church Headquarters.

Church Council members will serve two-year terms. The Church Council may choose to stagger the elections such that one-half of the Church Council will be elected each year.

A member may run for office if they have been a member of the Local Church for one year or, in the case of a new Church Council, resided in the area for one year.

The Church Council will conduct at least one open meeting every other month. At that meeting, the Church Council will hear issues and get feedback from the community. The Church Council will create a procedure for members to have their issues included on the agenda.

Composition

The Church Council is comprised of five, seven or nine members, including the Pastor. Any change to the size of the Church Council shall be approved as an amendment by the Congregation as stated in Section 9.

The Church Council has a Chairperson, Vice-Chairperson, Secretary and Treasurer as elected officers. The Secretary and Treasurer may be the same person. Officers will be elected by the Church Council.

Officers will serve 1-year terms and the Chairperson may not serve for more than 2 consecutive years.

For there to be a quorum, not more than two Church Council members may be absent from that meeting.

Church Council decisions will be made by simple majority vote, except in a vote to remove the Pastor as stated in Section 6.a.iii.

The Pastor will have a special role. He/she will not serve as an officer, but as a spiritual advisor and will cast a vote only when a tie-breaking vote is needed.

If a council member resigns or leaves, the Church Council will decide on a procedure to select candidates to fill out the term and choose one.

Election of the Church Council

At-large election. Church Council members will be elected from the community at-large.

In the case of candidates being tied for the final seat(s), the outcome shall be decided by lottery.

Elections will be supervised by an election committee. For the first election, an election committee will be approved by the National Office or District Leader. The Church Council will determine how future election committees will be selected.

No Church Council member shall serve for more than two successive terms.

Elections will be held annually as the Church Council may decide.

Duties

Give quarterly financial reports and an annual report to the community.

Approve paid Local Church staff and key personnel.

Appoint standing or ad hoc committees as needed.

Hear concerns of church members.

When there is a need for a new Pastor, the Church Council will search for and recommend a candidate to the President or his authorized representative for approval.

Veto and Appeal

Any Church Council decision may be vetoed by a higher church authority, such as a District Leader. If the District Leader is also the local pastor, a veto must be exercised by a higher level, such as the President.

The Church Council may appeal a veto to a higher authority, such as the Continental Director, President or National Council.

Appointment and Removal

The Pastor is selected by the council and approved by the President or higher authority.

The Pastor will serve for a three-year term, at which time the Council may reappoint the Pastor for another three-year term or select a new Pastor. There is no limit to how many times the Church Council may reappoint the same Pastor.

The Pastor can be removed at other times by a two-thirds majority Church Council vote and the approval of the President.

Administer pastoral functions such as those related to birth, membership, II Shim education, engagement, marriage blessing and death.

Church Plants, New Worship Communities and Activities

In accordance with its missionary roots, the Family Federation encourages and endorses the planting of new worship communities and new "Planted Churches", as well as individual ministries. At the same time, we honor the ideal of unification by encouraging all churches and worship communities to remain in close and regular communion with each other.

A Planted Church is a new church established under the auspices of an existing Local Church that is not yet large enough to have its own Church Council.

A Ministry Team is the governing body of a Planted Church, consisting of a Pastor and at least three Elders. An Elder is a church member in good standing who will share in the leadership of the Planted Church with the Pastor of the Planted Church.

The Ministry Team will approve a budget and key church decisions by a majority vote.

Members wishing to plant a new church shall petition the Church Council for approval. The ministry team of the Planted Church shall also be approved by the Church Council, and shall be mentored and supervised by the Pastor of the Local Church. The Church Council may also close a Planted Church for cause, subject to an appeal by the Planted Church to the National Council.

Members of the Planted Church will be considered members of the Local Church and will be entitled to vote in Local Church elections. Once the Planted Church can meet all requirements in Sec 3a and Sec 5, it may petition to become an independent Local Church.

The Planted Church is expected to follow the basic tenets of FFWPU, as provided by National Headquarters.

Small Group ministries may be started by any member of the Local Church, and does not require Local Church approval.

Tithing

The Local Church will contribute 10% of its income to the District and/or National Headquarters, as decided by the Church Council

Amendments

This charter may be amended by the National Council with the approval of the President. Questions of interpretation of this Charter will be decided by the National Council.
