Family Matching Convocation - May 19-20, UTS Campus

Ki Hoon Kim and Michael Balcomb
April 23, 2017

Dear Leaders and Families,

Is your family thinking about matching?

The Family Matching Convocation (FMC) is an opportunity for you!

The FMC is a great opportunity for parents and their young adult children to understand the Matching Process, learn from families who have had successful matching experiences, network with other families, and consider possible matching candidates. This national Family Matching Convocation will be held at UTS in Barrytown, New York on May 19-20, 2017.

Who Is It For?

Come as a family! The FMC is designed to help parents and their young adult children learn about the matching process together and get on the same page. We encourage parents and matching age children to join together. However, parents are invited to attend the FMC with or without their children, and young adults over 18, who are considering matching, are also welcome to attend without a parent. Parents of younger children are also encouraged to attend to familiarize and educate themselves about the matching process.

Matching Supporter Training - May 21

In addition, a training for Matching Supporters (previously Matching Advisors) will be held on Sunday, May 21, at the conclusion of the Family Matching Convocation. The Matching Supporter Training will be held on Sunday from 8:00 AM to 3:00 PM. Those who wish to train as matching supporters, must also attend the entire Family Matching Convocation from Friday to Saturday. [Register here for the Training.](#)
