

3 Ways You Can Support 'Peace Starts With Me' - True Mother's return to America

There are only three weeks before our True Mother returns to America to offer her message of hope and peace at Madison Square Garden! Here are 3 important ways in which everyone can help and contribute to making this a great success, no matter where they live in the country:

1. DONATE

Please offer your donation! We are humbly requesting that each family offer \$700 or more, or whatever you can afford. Every donation is truly appreciated. Now is the time that these funds are needed. So far, we are 20% of the way to our overall goal.

2. VOLUNTEER

Please consider coming to New York to join the mobilization efforts. We are looking for about 20 people who can come next week, as early as Monday, June 26, and stay until July 15. There are several ways that volunteers can help:

Go out to the field to witness, visit churches, and spread the word about July 15, in partnership with local members working under the guidance of local pastors. You'll stay at the centers or with families in the New York boroughs, in New Jersey, or at the New Yorker.

Join the phone bank team as we follow up on all the contacts we have and make new connections.

If you're interested in volunteering please fill out this [Volunteer Registration Form](#), and we will contact you for placement. The form has space for questions, but if you need, you can contact us at volunteer@unification.org with any additional questions or concerns.

3. PRAY

Finally, of course, please join our national prayer condition conference call, every evening from 9:00 p.m. Eastern. Email mcurry@unification.org for access.
