### Invitation Letter

Dr. <FName> <LName> <Title>, <Org> <Address> <City>, < St> <Zip>

Dear Dr. <LName>,

We cordially invite you to attend our nationwide “Peace Starts With Me” rally of reconciliation, hope and healing for America, filled with inspiration and music at Madison Square Garden on Saturday, July 15 from 2-5 PM.

Please join Dr. Hak Ja Han Moon, who will deliver the keynote address with her message of hope and peace to the leaders and citizens of America. Grammy-award winning Gospel singer Yolanda Adams will perform along with a 2,000-voice choir and Praise Dancers representing hundreds of churches from New York, New Jersey and Connecticut. We are coming together as “One Family under God,” and we want you to join us!

Though there are critical challenges in our nation and around the world, if we come together “in one accord,” heaven’s floodgates can open and blessings will flow to heal our land. That’s why Dr. Moon calls on us today to lead America and the world by living in alignment with God and establishing God-centered families with love for all humanity. That’s how we can bring true peace to end this dangerous era of bitter division.

As President Abraham Lincoln stated in his second inaugural address, “With malice toward none, with charity for all, with firmness in the right as God gives us to see the right... to do all which may achieve and cherish a just and lasting peace among ourselves and with all nations.”

We ask you – and your family and friends – to join us as our special guests on Saturday, July 15th at Madison Square Garden. Tickets are required for the event. Please reply to this email or call me at (xxx) yyy-zzzz for more information.

Sincerely,
