of True Mother December 28 – January 21, 2018**

Dear Brothers and Sisters,

I'm writing to let you know that at long last, registration has opened for those ready, able and willing to accept True Mother's invitation to volunteer at the upcoming Africa Summit in Dakar, Senegal. [The registration link is here.](#)

As you can see from the simple leaflet attached, our team in Senegal will participate in two weeks of social outreach and service, before joining and helping to staff the Summit where True Mother will speak. During our time in Senegal, we will be active at both ends of society, working side by side with young Africans, Christians, Muslims and Unificationists. We will be volunteering in poor rural neighborhoods one week, and meeting heads of states in the nation's top conference center the next. There will be outreach at the University of Dakar, one of Africa's best, and work at Gorée e Island, a poignant memorial to the slave trade.

Here are some of the practical details about participation:

1. **Schedule:** The basic program runs from December 28 to January 21, a total of 26 days including travel. Early arrivals are permissible and encouraged from December 21 onwards and you may leave up until January 23. If you can only come for a shorter period, please do register but WAIT for confirmation before proceeding further. Space is limited and priority be given to those who can participate for the full duration.
2. **Registration:** Every participant must pay a 100 Euro application fee which will be refunded if your application is unsuccessful or you are ultimately unable to travel. Once you register, you will receive a confirmation email. (payment details are included in the online registration form)
3. **Airfare:** Do NOT book any air travel until your registration has been accepted and you have your confirmation email all participants are encouraged to cover their own airfare, currently around €500-€600. However, travel scholarships of up to 50% (maximum €300) are available for those who need it.
4. **Travel Insurance:** Travel insurance, or proof of medical coverage, is mandatory.
5. **Room and board:** in Senegal will be covered by the hosts, but participants are encouraged to bring a modest amount (€100-€200) for personal expenses.
6. **Accommodations:** there will be several locations. One is expected to be our newly completed training center out in the countryside near to Dakar, another a youth hostel. In any case, expect accommodations and food and other conditions to be humble, but adequate. There will be WiFi!
7. **Medical:** There are no mandatory medical requirements before travel but all participants are strongly advised to receive an inoculation against Yellow Fever, and begin oral anti-malarial medication, at least 10 days in advance of travel. Insect repellent and sunscreen are a must. A full travel advisory will be published soon.

The main contact people in Europe are Jean Francois Moulinet and Sung Min Barje Barrios.

Thank you to all our wonderful volunteers!

Let's make our True Parents proud!
