UP CADET MISSION AREAS

Mission FIELD REPORT - South Africa

When I first faced the reality of Africa, I couldn't help but shed many tears. Seeing the country still tormented by unresolved conflicts, my thoughts went to the heart of our Heavenly Parent and the efforts of the African missionaries that began in 1975.

I'm working on organizing leaders' workshop, CARP core member workshop and DP workshops for new guests in order to raise young leaders here. With the help of our 2nd generation students and CIG youth missionaries, we are reviving CARP and building foundation of witnessing and volunteer service in Côte d'Ivoire which is one of the providential key countries.

Entering 2017, I'm touring various countries in South Africa to revive the youth activities and educate the younger generation with love warmer than the sun and vaster than the horizon. I sincerely wish for the hidden gem of Cheon II Guk, Africa, to become the hope of Heaven and the world in near future.

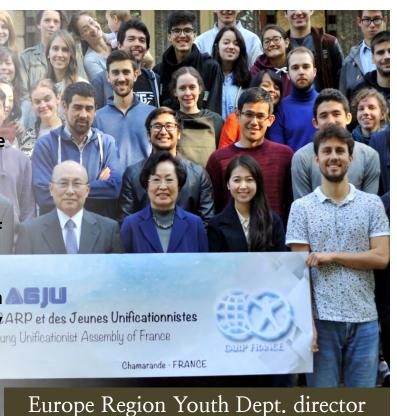

Mission FIELD REPORT - Europe

I entered UPA with the thought of becoming a small consolation for True Mother after the Universal Seonghwa of our True Father. Upon receiving my first appointment, I went with the goal to convey the love and vision of True Parents to all of our European members and youths while doing campus witnessing and organizing workshop for the guests and other educational events.

Through the opportunity to tour the European region, I could meet CARP members of England, Germany, France, Albania, Spain and Czech Republic to convey the Words of True Parents and encourage the education in the field.

I could understand deeply that True Parents have truly educated and sent us to the fields while doing my mission Allu in Europe. True Parents' dream became my dream, and my ARP et des Jeunes Unificationnistes dream indeed became True Parents' dream as we learned oung Unificationist Assembly of France from True Parents to align vertically in heart through the internal and external education at SunHak UP Graduate University. Our wish to march forward for the sake of Cheon II Guk is being realized right in front of our eyes.

JEONGHAE YEOM

Internship FIELD REPORT - Côte d'Ivoire

Seeing impoverished children and civil demonstration here makes me feel the struggle of this people throughout the history. Whenever I find it difficult to figure out what I can do to restore this nation, I find myself longing for True Father who planned to restore the whole universe at the Beomnetkol cardboard house in Pusan at a time when there was practically no foundation at all.

I feel it's only through being in the providential field that I can embody True Parents' heart and make results to return joy to True Parents. True Mother said, 'Please work hard as you have pledged. If you do so, True Parents will always be together with you.'

If I believe in the promise with True Parents and go back to my starting point whenever I find my own lacks and get caught up in reality, I know for sure that Heavenly Parent will prepare the people and environment that I need. I wish to keep moving forward with True Parents' love and Words in my heart.

3rd Class Internship KENTA KISHI

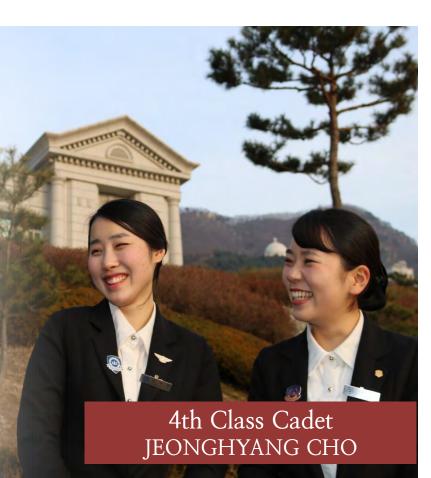

CADET REPORT - Student Council leader

The start of our life together as the 4th class where people have six different nationalities was as tough as I imagined. However, I saw us being brought together into one existence as we followed the lifestyle and regulations centered on True Parents. I think it was possible because we all came for one reason, that is, True Parents.

We receive classes in True Parents' life course and overall providence as we study and participate in various programs to equip ourselves with skills needed for a Cheon II Guk leader.

Whenever the training feels hard upon my shoulders, I think of the vision that True Parents have for me. I wish to become the special force that can protect True Parents through their love.

True Parents have said that our names will be recorded on the first page of the history and I wish to live up to that expectation and become a person who can proudly present myself as True Parents' cadet even in the spirit world.
