Cheong Pyeong Europe Invitation

Dear Brothers and Sisters of the EUME family,

Let's Meet Together for the Inauguration of Cheongpyeong Europe!

Happy New Year! As we joined together with all of our brothers and sisters around the world for the New Year's Midnight Prayer with True Mother, Fumiko and I felt a strong conviction that 2019 is going to be different, a year of abundant heavenly fortune. In her speech, Mother greatly encouraged us, saying:

"I love you! I proclaim that we are proud blessed families standing at the forefront who will absolutely fulfill our Heavenly Parent's dream and what humanity has longed for."

Still, we have our portion of responsibility. How to fulfill it? True Parents often taught us that we cannot achieve the results we long for by human effort alone. We need spiritual, heavenly power. And we have a great opportunity to bring down that heavenly power with the launch of the EUME Branch of Cheongpyeong just two weeks from now on January 19th and 20th 2019.

True Mother has again shown her love and concern for Europe and the Middle East by sending Rev. Lee Ki Song, President of FFWPU for a Heavenly Korea and of Cheongpyeong, as her personal representative to help lead the program. Rev. and Mrs. Lee were in Europe for the Vienna Rally and the Mauthausen liberation. They will be joined by our core team of InPyo Moon, Tibor Krebcz, Mateo Ziko, Jeonghae Yeom, our six subregional leaders and many others.

Later in the year, the Cheongpyeong team is planning to visit all our subregions and many nations, and there will be several opportunities to continue blessing and liberating our ancestors and restoring our nations. But there is something especially meaningful about being in at the start! Therefore, we want to take this chance to urge all of you to come and participate and contribute to this great occasion in person.

As well as being an important "providence for the start" for all of our region, this is of course a significant and welcome opportunity for each of us to move towards the goal of blessing and liberating 430 generations of ancestors, as we have pledged to do. And on the practical side, we have found a great location with comfortable seating, clean toilets and unlimited parking! Everything is prepared, so don't miss this heavenly blessing! See you soon!

Sincerely

Michael and Fumiko Balcomb
Regional Group Chair
