

## **Updated: Donation for True Parents' Centenary & 60th Holy Wedding Anniversary**

December 12, 2019

Dear Brothers and Sisters,

Greetings from Heavenly Albania! Fumiko and I are here in Tirana for our final visit this year to hold a leaders meeting together with Dr. Ohtsuka, Rev. Corley, Rev. Shin, Gani and Marjeta Rroshi and all our wonderful Albanian families.

It is a challenging time for this newly-blessed nation. The recent earthquake killed dozens, injured hundreds and made thousands homeless. So many buildings are damaged and unstable. The most dangerous ones may be those that don't even show external damage.

However, the spirit is good. We are very grateful for True Mother's donation to the relief effort, and I know many of you have also offered financial support as well as your heartfelt prayers. Thank you all!

Now, as the year and indeed the decade draws to a close, we want to make a direct appeal to your generosity once again. As we all know, in less than two months, True Mother will lead our movement and the world in the celebration of Foundation Day and the World Summit 2020 in Seoul. She will bring together all the fruits of the past years, including most recently the seven conditionally restored "Shin" or heavenly nations.

Thousands of parliamentary leaders, religious leaders, media, academics, youth and business and society leaders will be gathered together to support True Parents' grand vision to unite Korea and restore the world. More than 400 will attend from our region alone.

To support and to take ownership over this extraordinary effort, all families in all nations are now being warmly invited and strongly encouraged to give the best donation we possibly can.

Actually, I was rather glad when I first heard this. It is a happy day in any family when the children can really help the parents fulfill their hopes and dreams. Moreover, God always blessed those who bless others to the very limit of their own ability.

With that in mind, I should share with you that each region of the world has been asked to give a donation based on the overall national economic situation.

In Europe, where there is such a wide diversity of incomes, the suggested average family donation is €1000–€2000.

Knowing that there are many families and nations who, though they will do their best, cannot give this much, Fumiko and I are asking 40 families or more to join us in offering €10,000 or more.

Moreover, with faith in God's grace, I am looking for at least 3 and even up to 7 families or businesses who can offer €100,000 each.

If we can do this, then our whole European and Middle East region will be able to make the full offering together. Whatever you can give, please give the very best you can, and with a happy mind. As St Paul reminds us in 2, Corinthians --

"Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."

Thank you, cheerful brothers and sisters of Heavenly Europe and the Middle East!
