Session 1 - Introduction & Business

1.1. Approval of minutes and agenda

CLB invites members present to introduce themselves.

- Minutes are accepted
- Review of Action Points from last CoC [completed]
- National Council Report review [members invited to read it by Saturday, so as to add points to AOB on Sunday if desired]
- Mission, Vision and Strategy Statement also provided for information
- 2020 venues and dates provided. 2021 venues to be discussed on Sunday.

CLB. Any other significant business for Sunday? No.

1.2. Introduction of candidate for National Leadership and Q&A (including consideration of deputy National Leader position)

CLB reads a message from Tim Read about the history and background of the FFWPU Governance document (see um-uk.org or www.ffwpu.org.uk link at bottom of page under “governance”).

CLB. I would like to invite Mike, Fumiko and Matthew to sit at the front for questions and answers. [Some questions have been sent to Mike in advance]

MB. Let's sit in a circle.

[CoC members gather closer together - a less formal meeting style]

FB. It's been a long time since we have come together. As True Mother says - we must look after each other. The UK is very important to the Providence.

MH. I spent some time praying at home. I'm feeling very inspired and connected to the things I want to do. Creating community and education also for the citizens of the nation. I want to respond to True Mother's guidance. I take whatever she says very seriously. I'm not too worried about the future church structure. Recently I've been more involved in my community (Bromley). I hope this helps you understand where I'm right now.

MB. Good to be here. I'm going to speak about my vision for the UK tomorrow. This evening I want to share something more internal. It's been 81 days since True Mother asked me to lead the UK. Within 1 hour of that announcement, I was emailed four emails telling me not to take on the position. I took a moment from the meeting to text Matthew about True Mother's decision.

[Mike shares the story of how True Father chose True Mother and then less than 2 weeks later they were blessed ... (this is the story we are familiar with) ... Mike relayed the background story of True Mother's personal experience of that time, which she shared at a recent meeting that he attended: "I started to have dreams whilst very young (6 years old) ... "You will be important". ... Dae-mo-nim was a driven woman on a quest to find the Messiah ... moving house on the basis of an inspiration or revelation Spiritualists would come looking for True Mother ... prophecy (at 13 years old) "Your husband 20 years older than you - will either be the greatest saint or the worst kind of criminal". She told God she was not ready and that she would decide who and when! God gave her a few more years ... till 17 years old]

Maybe you think you are not ready. Me too! But God is pretty desperate. Desperate to get the job done. TM has always shared her conviction that the clock is ticking. In the last year especially, I've seen the door of opportunity opening much wider than before. We never feel ready but we must move now.

I'm sorry I have not paid more attention to the UK in the past 2 years. Why did Mother intervene in such a dramatic way? Upset? Angry? No. The UK is special and has opportunities that other countries simply do not have, great potential for the Providence. Think of Korea - still divided after 75 years. 3000 delegates will attend the upcoming Korean Summit, but the Korean government is not so interested. There are problems between Japan and Korea which is also creating problems for our movement.

USA is making progress. There is a foundation and openness with Christianity in America. However there are also complications due to it being so big and widespread. TM believes UK is the key in 2020. UK has a lot of assets - people are most important. With our teamwork I believe we can do much. 4th time TM has announced a new position/mission for me - always a shock. We have big goals - True Mother to meet the Queen, UK Summit and large Blessing. I've struggled with the directions True Mother has given me. However, Fumiko and I work together. I do like to lead but only after discussion. Best way to keep grounded is to work together as a couple. Please talk with me, be bold and forthcoming. Many of us are of the same Blessing, brothers and sisters together. Any team needs a team leader. It doesn't need a one man show.

How can I manage EUME and UK? I have a good team (sub-regional leaders). 3 days EUME, 3 days UK, 1 day free. I think we will win. I feel it. We will be amazed where we will be in a year or two. Do ask me your questions. This will be a good weekend.

FB. Matthew's attitude has been amazing.

AR. Is there a need for a Vice NL? Can we afford two NLs?

MB. I will take no wage from the UK. Matthew will continue to take a salary, so the overall outgoing amount will be the same. I have already been meeting with the National Council and HQ leaders. I would like to conduct a Pastors' bootcamp - pastoral care and training is basic. Young people must be attracted to the UM(UK) - we are not providing that at the moment. Property decisions are in flux. I've been in discussions with the Properties and Investments Committee and True Mother will hear about what's going on in the UK. I have experience in America on property work. Matthew is interested in education. I will re purpose our committees including this CoC. My hope is that every group will discover and know their purpose and direction shortly. Need to look at media, social media presence. Take a look at that again. Can we afford it, can we afford not to?

MH. This year we will review budgets in the half year. Can we work effectively? I hope we will be more ambitious in the coming months. Looking to be more financially ambitious moving into 2020. I plan to continue with my current salary and expenses.

AJ. Do you see yourself continuing as before or doing more or less? Have you had a review? [MH says yes]

MB. I make sure everyone under me has a review, and myself also - uncomfortable, yes, but constructive and necessary. If you are a Pastor, expect a performance review this year. Without feedback, things get very demoralizing. Essential practice. Big believer about honest conversations on performance. Can I commit to four years? No, I can't. No guarantees. Each year there should be a serious conversation about how is it going. You have to be talking about these things.

MT. If True Mother asks you in 6 months to go to Africa, would that mean that Matthew steps back in again?

MB. There will be time. But I will be speaking with True Mother next week and sharing my plans with her so I have a better sense of what I must do.

NS. How will you deal with a conflict of interest between the UK and EUME?

MB. I speak weekly with my sub-regional Leaders. I never make big decisions without speaking with them. Conflicts of interests can be avoided. I may ask you to work in another nation and I am already bringing members into the UK. I do have an active life of prayer and seek God's guidance.

RG. What kind of structure will you set up for getting feedback from communities?

MB. I've already made some changes. In HQ, we meet as a staff team. Matthew already has regular meetings with the Pastors. I will also attend. EUME video each week. I like using Zoom as it saves money. I am looking for an assistant in the area of video, media and communications. Every 3 months we will have a National Sunday service. These are some of the things.

AJ. Is there a date for the AGM. Last year the AGM was not prepared well.

MB. We have a date for the AGF (end of June) and perhaps have the AGM at the same time. I am meeting with HQ leaders regularly on these kinds of matter.

CLB. What group do you mean by HQ leaders?

MB. I meet with UPF, WFWP, YAM, Worship, GA leaders etc and BFD and Education. I want to be at LG once or twice a week.

MT. I want to see more revival. Ministry development and recruitment into the church.

MB. I've been speaking with Franklin and Cecilie about the Peace Embassy. I'd like to bring young people to London. I have a goal of 100 new members this year (in connection with True Father's centenary). We are facing the need to grow ... pizza scenario: now we know everybody - new members are a small slice - will be that "we" are the small slice and others are main body. TM is looking at other faiths. We must teach the Principle. I do believe we can create a community where people come and knock on our doors - need good music, good message, good organisation, good care. Hillsong have several services a day ... I think we can do it and already TM has agreed to come to the UK. Don't chase this away.

CLB. The plan is that, when we are satisfied with the answers to questions, we need to agree on some details of the new arrangement. We will take a break for discussion and return without our candidates to make sure we are happy and clear.

SC. Does Matthew know what his remit is? My experience is that you need to have members' trust and confidence otherwise you find yourself in quicksand. Are you being held to account? Perception is very key. You need to prove who you are.

MB. We have been ready from the outset but wanted to enlist CoC going forward. We want CoC to be instrumental. We have waited for the CoC to discuss and decide. In future I suggest the CoC not to wait for such important meetings. The council should allow itself to schedule an emergency meeting. I'm proud of the fact that we here in the UK have taken time to reflect on TM's decision. When TM says "jump" we should not just ask "how high?" Let's try things for a year. True Mother did specifically say Matthew is vice NL. I need all the help I can get.

RG. When I heard that you were appointed NL that True Mother decided - then we should consider making changes to our Governance document. True Mother is our central figure. This is God's Will.

SC. This is not an argument. We need to speak honestly.

MB. True Mother said we were caught with our pants down! We did not expect True Father to pass away. Mother was fighting for years afterwards. She found a way forward. We do need a structure otherwise there will be chaos in a few years time. Matthew said the rules are not clear. We are trying to make things better and we are not doing too bad. In a year from now we should meet again and review things. We can't be accountable now since we are just starting. We are all one team including other EUME regions. The UK can play a leading role. True Mother is expecting the UK to lead the way.

CLB. So [to MB], can we say these are your commitments? You will spend at least half your time in the UK. You will have an annual appraisal in front of the Board of Trustees. You cannot guarantee 4 years in the role, but it should be reviewed annually. Matthew's role is defined by you, though may be renamed. [MB agreed]

MB. 3 years might work better. 4 years is in the Governance document. I feel a year from now is good for a serious review. I will provide a clear document explaining our different roles (mine and Matthew's) ... by the end of this week.

NS. I asked our Central London CC what they want from a new NL. They said more transparency and communication. For example, who are the Trustees?
[Tim Read, Gillian Schroder, Andy Johnson, Joanna Hartl, Huey Er Fisher]

MB. I want to appoint two more from younger generation ... The Centenary year is a great time to start again.

[MB, FB and MH leave the room]

CLB. We want to be clear about what we are ratifying.

[Some more discussions followed on making deadlines for providing the draft job description... end of February might be best because of Korea activities. Request to know David Hanna's performance review on MH. How in depth was that review? Board of Trustees to review both MB and MH. Ask for report on Matthew's role and salary by May 2020. It's a significant salary - more than others. (AJ) If there is transparency, those who see this may be encouraged to work in the movement and build a career for themselves. Pressure on the salary is a good way to seek answers about effectiveness of activities. The organisational chart was promised but still not clear.]

CLB [after discussing with MB and MH out of the room]. Our process is to welcome Mike and Fumiko Balcomb into the role of national leaders. They are keen that there are reviews of their responsibilities - and that the trustees step up to their role. However, Matthew's review should be up to him.

1.3. Ratification of National Leader (and deputy) position(s)

CLB. We want to give recognition to the immense commitment and dedication shown by Mike and Fumiko:

- to take up the role of National Leaders for the UK, on top of their continued role on the continental level
- for Matthew to take the role of deputy national leader (a role which still requires some definition - see below)
- Mike's role for the UK may not be more than half of his time commitment and his financial support will not be taken from the UK, but Matthew's role will continue to be full-time and his financial support will continue
- the roles will be clarified, at least in draft, this week by Mike. If any further clarification is needed, this will be concluded by the end of February
- by the time of the next CoC meeting (May 29-31), a report can be provided and a reconsideration of Matthew's role and salary may be made
- a review of the National Leader role will be made by the Board of Trustees within one year, while Mike will review Matthew's role

[Points were accepted and agreed. MB, FB and MH were congratulated]

Session 4 - Opportunities, challenges, proposals for 2020

4.1. Communities to offer their thoughts on the year ahead:

CLB. Idea is to share local ideas. To lay the groundwork to work towards the national goal. After 5 min community presentations, break-out sessions.

OL. Scotland

Robert is leaving us soon (maybe coming back?) - will continue to work as a council, grateful for his hard work. Centenary exhibition - outreach project.

Pastors training - Robert has some projects and has taken part in seminars. More training needed. Build on meeting with Cross-party group in the Scottish parliament (on political freedom). They are keen to work with UPF. At the moment, looking for a centre in Glasgow - to help witnessing and outreach. New centre within the next few months, if can't buy then rent on a temp. basis. Work together with ambassadors for peace to work on creating stronger marriages in our society.

RG. Wales

Last December finished with a family festival - very successful. Gained good contacts.

March, June and September - Family festivals planned. Nothing to say they can't do better next time (involve more faiths?). Working with other groups. Opportunities are present.

Challenge - In our region, no pastor (no spiritual centre - just council). Very few young members willing to commit. Some are taking responsibility to help with Sunday school.

Some couples are active in Africa. How to get middle (age) adults more involved? Jobs and families tend to be priority. Need to take better care of members. Externally functioning but internally lacking. Poor feedback system within the region.

CLB, FM, ZW. North London

Jeff sends hope for the coming year (recovering from operation). He made proposals for centenary project year before last - touring exhibition of True Father's life and work.

Material and literature should have been prepared. Father started so many projects and inspired so many in his lifetime. Wishing for resources. Need to encourage more service projects - work in partnership with more organisations. Need to break through to the wider community. (Francoise) More service projects/home church work = more contacts. I see Watford as CIG town. David Rennie has foundation in MK, Jeff in Watford. Foundation already set, opportunity to make substantial contacts. (Zhijun) TaiChi lessons - attracts couples - opportunities here too.

FsF. East London

Four key areas. Almost 80% of our community are going to Korea, except for one or two families. Our communities desire to get involved and participate. Unity and commitment is vital. Solid structure - everything is set (e.g. community meetings). HTM activities - Most are really active in Blessing, HTM activities, in addition to on-going condition - very active chat group. We need clarity of vision - as a community, what can we do to actualise our visions. What can we do as a community to support each other? We are trying to be very active. Trying to delegate so everyone can feel involved and take ownership.

NB. Bromley

We have many young families and children - the main focus is on them. How to pass to them our traditions and beliefs. We want to help our children to grow into leaders. We do this through Holy Day Celebrations - fun and memorable for the children. Some experience they can take with them. Started project - taking testimonials on personal experiences with True Parents - plans to transcribe these testimonials and publish as a book. To see True Parents in a more personal light. Encourages council members to record testimonials. Definitely will start youth club for children (11+). For Blessed Children, it is very important to have friends within the movement. Goal - To create a loving spirit in our community.

DE. Birmingham [shows powerpoint - available to members -please contact him]

Continue on successful activities from 2019 - Sunday service, sisters meeting, Family Evenings, Public Services, Blessing Evenings, couples counselling, creating an environment for people to feel that they are part of something. Blessing held in their home - very positive experience. Public interfaith services. Aiming to engage with prominent young people in the community in order to engage young adult membership.

HN. North England

Rotation of Sunday service locations (Manchester, Sheffield and Bolton). Need to create a family retreat - spend some quality time together as a community (possibility at Easter or in the summer). Establish Sunday School/ education program for the younger members. More work as pastoral care - Hyosung is herself a new pastor and is still learning. Support the national direction. Support a couple who is going to the Blessing and couples who are having children.

RC. West Country

Need for a pastor to deliver pastoral care. Internal guidance cannot be provided by a committee. We see Ed Stacey as Abbot. Need for training of pastors. Four ancestor houses in our community. Annerose working in Africa (Niger). Build on present outreach.

AR, MT, NS. Central London

Mantra - "Shepherds, not sheep". Gave opportunity to Mr H. to travel to Israel. Transition from pastor to committee - we have become a lot more accountable. We have been able to make the new arrangement effective. (Mitty) Outreach and witnessing - In order to grow the community, I did a lot of research - came up with a motto: "Each one, Reach one, Teach one". We need to do something to increase our membership and bring new blood into our community. Ownership and responsibility in building our community. (Naomi) I would like to work with AJ's wife in BFD work (need to talk to Jeff). Interested in how we education and raise our teenagers (WAIT is in my heart) - very important point - also starting women's group - discuss how to help each other and the world - make friends - invite to bigger events.

FnF. South London

Trying to look forward, not easy to find goal or direction, not clear. What is clear - we need continuous education with our membership. In the HARP workshop, children are really inspired but when they come home, they may struggle. 22 years as pastors in SL. It is not easy to really know how to take care of people. Plan to hold the Phoenix Program in South London - the need for something new and different. We recognise that we are getting older, need young people to get more involved and take a more active role and take responsibility. We have to take a lot more care to see them develop more - bridge the gap between the parents and children. This impacts the Blessing. Saving money to fund a youth pastor - budget already in place = we also want to promote more volunteering - promote this kind of attitude. We want to develop a caring, supportive community - care for people more than ourselves. Also, support New Tirana centre in Albania.

CLB. questions to be discussed in breakout sessions to initiate conversations and detailed thoughts towards strategic goals for 2020, as shared by MB this morning.

[Sought interest in each of five proposed questions ... to make four breakout groups]

1. How can we bless 10,000 couples in the UK in 2020?
2. How to engage the talents of the younger generation and raise youth leaders?
3. How to expand membership?
4. How to make the UK Summit 2020 as successful as possible and have the Queen meet True Mother?

Session 5 Breakout sessions and conclusion

Plenary reports

1. How can we bless 10,000 couples in the UK in 2020?

FsF. Get the help of the spiritual world - work together and give other confidence - approach groups, whether that's churches or social groups - natural way to bring people together. People we already know, connect them more deeply with our movement and community.

2. How to engage the talents of the younger generation and raise youth leaders?

RG. Need to look in a broader way - not always obvious what people can give/contribute - there is always something to give. We tend to think in a more narrow sense regarding talents and abilities - we cannot accept people to do channeled in a certain direction - and everyone has different levels of commitment, make it more open and friendly.

3. How to expand membership?

RC. Membership group - more of a natural progression - invite families to celebrate holy days etc. People want to be part of that. More teaching, more lecture practice and education. Online education? It's not possible to reach large numbers quickly. Celebrate Holy Days together. Eat more spiritually. More teaching, lecture practice, education. One person visited a Christian church ...

4. How to make the UK Summit 2020 as successful as possible and have the Queen meet True Mother?

CF. UK Summit - What does this nation really need? Mental health is a big topic, lack of fathers (father figures) in our communities. Harry and Meghan are into this area. How can we access the Queen? She is the Patron of many charities and these could be avenues to the Queen. Connect with these groups, not necessarily faith groups. Get popular, professional speakers, speakers the younger generation can relate to. We need to make sure all of our members are comfortable with Mother saying she is the Only Begotten Daughter. Good material. Speech in advance. UK is very diverse - so make use of many talents.

Session 7 - FFWPU Business Conclusions and summary

7.1. Review of National Prayer Points

[Last statement of prayer points displayed]

International & National Leadership

MB. Prayer for True Parents and leadership as a first point. Stay away from jargon. We want the Queen and her government to welcome True Mother. We can mention the Prime Minister. European Union is old news. Pray for Balcombs, Hanna's, Huish's.

AJ. Add pray for True Family. Recent Blessing of True Children. Not wise to mention specific aims regarding the Queen etc in the newsletter (where prayer points are published). We shouldn't put our cards on the table (in regards to the Queen).

DE. I agree. We will be dealing with issues when dealing with other groups. Pray for Queen and Government to lead this Nation well and also to lead the World well.

FsF. Pray for weak and vulnerable in the country, as well as the affluent and wealthy.

RG. Pray for the emergence of leaders with clear moral viewpoint.

ZW. Our church in Taiwan is highly praised by the government because of our teachings.

The FFWPU Mission - Blessing, Home Groups & Education

MB. Prayer for the spiritual nourishment of our young people. Guidance with their programs. I don't like the word success.

CLB. I appreciated that the Summer Camp has had this kind of prayer support. Protection of the young children from accidents.

FnF. Protection is important.

AJ. Unity and development, partnership in the case of DONE and STF.

MB. Each group or activity (wanting national prayer support) should craft their own words and send them to Matthew. Try to put in 15 words or so.

7.2. Website consultation & TV production proposal

New website development [[powerpoint](#)]

JM. The domain will be the same as the USA site.

BC. Why 5 months?

JM. Usual for companies with this time scale. We want this website to last.

MT. Is that going to be the colour scheme.

JM. No, a bit darker than this ...

FF. Are you developing this with specific needs of our communities and departments.

JM. We will provide communities with their own section and if it is not used it will be shut down. Selina is on the team and will be the goto person to maintain the website. Each community has their own communications officer.

MB. I'd like to see us connected to the USA sites - Peace Starts With Me etc.. I would suggest you use this community as a sounding board. Don't wait for the very last moment to ask for feedback.

TOC. Breeze will be connected via calendars.

Firecracker Production Proposal

JM. Firecracker did "Married to the Moonies". Season 1 has already started. Stacey Dooley stays with a family for 72 hours. Would this work for one of our families. Can we show the

grassroots of our movement. We are looking for some families who will be interested. Filming begins in April. If we can't find a family here then we will offer it to the USA.

MB. Ask for some bullet points from them to show to families so they can know what the production team is looking for.

JM. We could show them a SL sunday service.

MB. I was thinking of the Earles

JM. Richard and I are very excited about this project.

7.3. Scotland pastorship transition

MH. Robert and Oksana will step down shortly. The local committee will take over. Looking for an outreach centre in Central Glasgow. Hoping by the beginning of March. Very grateful to Robert and Oksana for the last 3 years of their ministry. (Applause).

RT. Thank you.

MB. They sent a picture of their daughter watching True Mother. I told this to True Mother and she was deeply impressed. She loves that kind of simple, beautiful story from a 4 year old little girl. Perhaps she thinks of this family sometimes.

7.4. National Council Report & Communities financial management proposal

CF. Reads the National Council Report.

AJ. Why is the budget report and figures not shown here at this meeting?

CF. You want to see the conclusions.

MB. Can we make these figures available to the members? (YES: [click here](#))

CM. Response about HARP education does not answer our needs - Tim Atkinson's curriculum is designed for Sunday School (mostly younger children) but not HARP.

CLB. Please ask William Haines directly

RG. I've just become aware of three different prices for Wonjeon reservations. Why are there different prices/information? **[Action point 9 for CrF to report concern to appropriate person]**

Financial Management

CF. [Huey Er is now Treasurer and has a lot of experience - CF speaking on her behalf] For many years there has not been clarity about how our finances are reported and presented. HQ are looking at how things are being budgeted and developed and standardised. There is some restructuring which we are looking at. We have to report to the audit commission. We are proposing that the bookkeepers come together to create uniformity in our approach. HQ and communities are not communicating properly. Not

good practice. If we work well together, then a lot of blessings can come. That is our experience in South London. At the end of this month we will have no debt in South London. Good practice helps us spiritually. We need to tap into that heavenly fortune. We want to have templates for applying for budgets. Can results be measured? Is it a good investment? Thank you.

CLB. We have a training budget for the CoC (£1000) and I want to get approval to use it for this initial meeting. **[AGREED Action point 10: CeF to inform Huey Er to go ahead with plans, possibly for Easter]**

7.5. Plans for next CoC meeting, chair/vice-chair and venues for 2021

CLB. I have researched feasibility of using Cleeve House for meetings from 2021 onwards. Reduced cost overall, even though accommodation would include use of local B&Bs, catering company (possibly with some volunteer staff). However, still some uncertainty over properties.

MB. - Next CoC booked in Derbyshire - Proposal, many have asked for pastoral training/boot-camp. One possibility - next meeting - To make it a pastors boot-camp. Might be worth having it sooner - please think about when you want the training. Earlier in March or in May. For pastors and prospective pastors. Take the time to invest for our community. I want to help you to do your job. We should book (High Leigh) for January 2021 - we will use it for something, if not a CoC. Other plans can wait. **[Action point 10 for TOC]**

CLB. - Searching for position of Chair/Vice-Chair. I seek your acceptance for another meeting. **[Accepted].**

7.6. Announcements / notices

NS. WAIT. We are looking for committee members to become a Trustee of WAIT. Our children are our most valuable asset. 12 - 18 is the children's ages. There are 3 trustee meetings each year.

CLB. Children's Summer Camp (for 8 - 11 years old). Dates July 31st-Aug 5th

FnF. Family Summer Camp. Open it up for guests and families. We want more people this year. 24th July - 29th July.*

[MB made final summary of a few key points (see action points 12 & 13 below) and closed the meeting with prayer.]

Action Points

DIAMOND WEDDING
ANNIVERSARY

2020

Through giving the Marriage Blessing, Father and Mother Moon are connecting individuals and families to the love of God and providing a source of grace and salvation.

"THE FAMILY IS THE ONLY INSTITUTION CREATED BY GOD. IT IS THE SCHOOL OF LOVE WHERE PEOPLE CAN LEARN HOW TO LOVE EACH OTHER AND LIVE TOGETHER IN PEACE, AND IT IS THE TRAINING CENTER WHERE WE PRACTICE HOW TO BUILD A PALACE OF PEACE IN THE WORLD. IT IS WHERE WE LEARN HOW TO BECOME A HUSBAND OR WIFE WHO WILL LIVE FOR THE SAKE OF OUR SPOUSE AND HOW TO BECOME A HUSBAND AND WIFE WHO WILL TRAVEL ON THE ETERNAL PATH OF LOVE. THE FAMILY IS THE BASE CAMP FOR WORLD PEACE, AND IT MUST BE SUCH THAT THE CHILDREN WILL SAY, 'WE HAVE NEVER SEEN OUR MOTHER AND FATHER FIGHT.'"

In 1991 Father and Mother Moon visit their homeland in today's North Korea for the first time after 40 years. They stand amidst a rice paddy in front of Father Moon's birthplace. Not only could they meet their relatives, but also arrange a meeting with then President Kim Il-sung - which was not an easy mission - and discuss ways for a peaceful reunification of the Korean peninsula.

ONGOING BEHIND THE CURTAIN EFFORTS FOR KOREA'S REUNIFICATION

“The line that divides North and South Korea was drawn by human beings. Land can be divided that way, but not people. That we do not forget each other and continue to yearn for each other even after more than fifty years of separation shows that we are one people... We must end the division between North and South so we can have peace. Only after we first accomplish peaceful unification and restore our sovereignty can we bring peace to the world.”

Crown of Glory

*When I doubt people, I feel pain.
When I judge people, it is unbearable.
When I hate people, there is no value to my existence.*

*Yet if I believe, I am deceived.
If I love, I am betrayed.
Suffering and grieving tonight, my head in my hands,
Am I wrong?*

*Yes I am wrong.
Even though we are deceived, still believe.
Though we are betrayed, still forgive.
Love completely, even those who hate you.*

*Wipe your tears away and welcome with a smile
Those who know nothing but deceit,
And those who betray without regret.*

*O, Master, the pain of loving.
Look at my hands.
Place your hand on my chest.
My heart is bursting, such agony.*

*But when I love those who acted against me,
I brought victory.
If you have done the same things,
I will give you the Crown of Glory.*

“The pain of hunger can only be known by those who have experienced it. It’s hard to believe that a single grain of rice can give such stimulation to the body, but when you are hungry you have such a longing for food that it makes you cry. When a person has a full stomach the world seems big, but to a hungry person a grain of rice is bigger than the earth. A grain of rice takes on enormous value to someone who is hungry.”

Father Moon is a passionate fisherman himself. He has also invested in fishery, boat construction, water protection and food research over many decades in Asia, Europe and the Americas.

“THE OCEAN IS A BLESSING BEQUEATHED TO US BY GOD. WHEN I GO OUT ON THE OCEAN, I AM COMPLETELY ABSORBED IN FISHING.”

“Fish turned into powder could be transported and stored easily, even in hot and humid climates. Fish powder is 98-percent protein, among the very highest protein content of all food products. For this reason it can be used to save people from dying of hunger. Fish powder could also be used to make bread. The oceans contain limitless food supplies, but the best method for saving humanity from the food crisis is fish farming. I foresee that there will be buildings, similar to the skyscrapers we see in our cities today, devoted to fish farming. With fish farming we can produce more than enough food to feed all the world’s people.”

Father and Mother Moon have offered suggestions for strengthening the UN and have founded organizations to prevent and solve conflicts through peace education, including the Universal Peace Federation.

"I HAVE PROPOSED A RESTRUCTURING OF THE UNITED NATIONS AS A BICAMERAL INSTITUTION. IN ADDITION TO THE GENERAL ASSEMBLY THERE WOULD BE A RELIGIOUS, OR CULTURAL, ASSEMBLY OR COUNCIL. THIS BODY WOULD CONSIST OF RESPECTED SPIRITUAL LEADERS IN FIELDS SUCH AS RELIGION, CULTURE, AND EDUCATION. THE MEMBERS OF THIS INTERRELIGIOUS ASSEMBLY WOULD NEED TO DEMONSTRATE AN ABILITY TO TRANSCEND THE LIMITED INTERESTS OF PARTICULAR RELIGIONS AND CULTURES AND TO SPEAK FOR THE SPIRITUAL AND MORAL PURPOSES OF ALL HUMANITY. I MAINTAIN THAT THE TWO CHAMBERS, WORKING TOGETHER IN MUTUAL RESPECT AND COOPERATION, WILL BE ABLE TO MAKE GREAT ADVANCES IN USHERING IN A WORLD OF PEACE."

“For decades, I have invested in promoting interreligious harmony. It is on the foundation of this investment that we have the trust of major faith leaders who would travel to Israel during the Intifada, or to New York in the wake of 9/11. It took large amounts of resources. Finally, we could gain the trust of both Arafat and top Israeli leaders, which allowed us to play a mediating role during outbreaks of conflict in the Middle East.”

“Why is it that despite humanity’s earnest wish for lasting peace, it has not been able to achieve it? Throughout history, God has sent countless religious leaders and countless righteous people to guide humanity along the path of virtue and righteousness. Nevertheless, because humanity truly failed to understand God’s essence, it could not realize its long wished dream of peace on earth. The true owner of the world is God and until we attend God as the true owner, we cannot realize lasting peace.”

“When you look at the state of the world today, there is no center. Small nations and larger nations only think of their own interests. Yet in our hearts, we all desire to have a united world—a peaceful happy united world—but so many walls block our way. The only path to solving all the difficult problems of the world today is through the True Parents, who can heal all the problems of all nations, whether rich or poor. I am saying that all nations, all of you, must attend God, our creator, our Heavenly Parent in order for world peace to come.”

THE LITTLE ANGELS CHILDREN'S BALLET

“In 1963, we used the money we had saved to select seventeen children and form a children’s dance troupe called the Little Angels. My plan was to have these children learn how to dance and then send them out into the world. Many foreigners knew about Korea only as a poor country that had fought a terrible war. I wanted to show them the beautiful dances of Korea so that they would realize that the Korean people are a people of culture. We could insist all we wanted that we were a people of culture with a five-thousand-year tradition, but no one would believe us if we had nothing to show them.”

“IT WILL NOT BE EASY TO TEAR DOWN THE RELIGIOUS WALLS THAT HAVE STOOD FOR THOUSANDS OF YEARS, BUT THESE WALLS MUST COME DOWN IF WE ARE TO ADVANCE INTO A WORLD OF PEACE. RELIGIONS AND THEIR FACTIONS MUST STOP THEIR MEANINGLESS FIGHTING, FIND A MIDDLE GROUND FOR THEIR DIFFERING OPINIONS, AND DEVELOP CONCRETE WAYS TO ADVANCE THE WORLD OF PEACE. FOR HUMANITY TO BE HAPPY IN THE FUTURE, MATERIAL AFFLUENCE ALONE WILL NOT BE SUFFICIENT.
