Dear friends from all around the world,

We are excited and happy to announce special projects in 2020, the 21+ DONE graduates WS as well as DONE GG Reunion! Find key information for the two activities designed specifically as follow-up for DONE graduates. We hope to utilise the shared foundation so that we can create great value in a short space of time.

With the personal challenges that we all face including lifestyle choices and career options, as well as wider concerns regarding the present and future of our community and movement, we can find ourselves both overwhelmed and unsettled. Every now and then, we all need time to regain a sense of direction and clarity, a sense of hope and purpose, and opportunities for deeper reflection and connections with brothers and sisters.

The two activities introduced are distinct in their character and purpose – but we hope that you can consider them in your plans for this year.

### **21+ DONE graduates 2020 WS**

"Level-up: Transforming the present, shaping the future"

The workshop has been designed as a follow-up workshop for all DONE graduates aged 21+. We aim to create a homely and internally nurturing environment to recharge our spirit and deepen our friendships. The workshop will take place between the 6th – 12th July in Dunajska Luzna, Slovakia.

The content will be geared towards True Parents as the root of our spiritual path: delving deeper into True Parents' lives and teachings as well as providing guidance on our own matching and Blessing paths. The programme will consist of varied content, as well as time for discussions, sharing and reflection. We want to offer a balanced schedule and shape it based on the dynamics and needs of the group.

We will provide more information and open registrations at a later date. At that point we will inform you about the topics and lecturers in more detail. Please note, this workshop is only open to those who have graduated DONE or staffed on DONE and who are aged 21+.

### **DONE GG Reunion 2020**

As promised for the year 2020, we are thrilled to announce that we will hold the event for all DONE Alumni: the DONE Great General Reunion 2020.

It will take place in the "DONE House" in Dunajska Luzna, Slovakia, between the 17th – 20th September 2020.

The main purpose will be to experience, explore and enjoy the potential of our connections as DONE graduates from all over the world. There will be a wide range of ages and life situations, but we all share some common roots and goals. We also believe that the diversity and variety is something that will bring new dynamics and opportunities.

We know some of your DONE years have already had your own reunions. Building on from these efforts, we invite all graduates from 2008-2019 to meet as one DONE family.

We will provide detailed information and open registrations later.

Please note, this event is only open to those who have graduated DONE or staffed on DONE.
