

Thank You Eddie Hartley, for your incredible investment as FFWPU UK treasurer

Members of the board of trustees and our Regional Directors, Mike and Fumiko Balcomb, enjoyed an appreciation dinner together with Eddie Hartley on 29th February to say thank you after he stood down as long-serving treasurer of 12 years.

He was the board's chair for eight of those years, taking both responsibilities very seriously during a time of radical change in our Movement.

During that time, he helped the transition from HSAUWC to FFWPU and kept a steady hand on the tiller during times when the pressure was on.

Thank you, Eddie, for your incredible investment in the UK providence!
