

## Purchase your burial plots at our Holy Oak Memorial Woodland Won Jeon

Michael Balcomb

March 10, 2020

If you are over 65 years of age and haven't bought a burial plot at the Won Jeon, you can book now.

For the last few years, only members over 70 years old could book places, but now members over 65 years can buy a plot, which gives the chance for you to pay while you are still working.

At the moment, the prices are:

Single Depth – £550 [US\$680] (couple lay side by side)

Double Plot – £850 [US\$1050] (couple share one plot that is deeper lay one on top of the other)

The price will be increased soon, so please book now. Payment can be spread over a 12-month period if required.

We have plans to make an extra toilet and expand the parking area. Your booking fee will be a great help towards improving the place.

Any donations are welcome.
