

EUME 2020 JULY 4-18, REPORT ONLINE 15 DAY DP WORKSHOP

From July 4 to 18 2020, we held a 15 day online Divine Principle workshop over Zoom. Almost 800 participants registered for this workshop, and we had daily connections of 250 to 300, but certain centers watched in groups, so we estimate a daily watching rate of over 400. Every afternoon, we sent out the Zoom recording to registered participants, and the ones that couldn't attend directly, could watch the program later in the day.

The online program was every day from 10am to 12.30pm CET. There were two lectures of 45 minutes each, one group discussion with random group assignment by Zoom, and in the end a Q&A session with the lecturer answering questions from the participants. We also had inspirational and song videos to lighten up the atmosphere.

We went through all chapters of the Divine Principle until the 2nd Coming, and we finished with True Parents' Life Course. The three lecturers were Ashley Crosthwaite from the UK, Rainer Fuchs from Germany and Giuseppe Cali from Italy.

The audience was very enthusiastic and inspired, as the lectures were well done by sharing Powerpoint presentations. They studied DP, but they also received lots of internal guidance for their lives. We received many encouraging and appreciative comments and messages every day.

The participants were a mix of all categories of age, guests and members. For the guests, it was amazing that they could receive this content from their home, and they could discover the Principle step by step and understand about True Parents. For the members it was a refreshing experience of being reborn.

On the last day (Day 15), Dr. Michael Balcomb presented a "Call to Action" and gave us all homework, to bring each three new guests to the upcoming 2 Day Seminar (again online), which will take place beginning of August. He also encouraged everybody to bring participants to True Mother's Online Rally of Hope on August 9th. Dr. Balcomb presented the Centenary website and promoted True Father's Autobiography and True Mother's Memoirs.

This workshop was a real success, and we were all surprised to have so many participants with so much interest to study the Divine Principle. We understand from it that DP is essential and the most powerful teaching. This is the first time, we held a DP workshop online, but we can already see the potential of this.

Participants' Reflections:

From Cornelia, Moldova:

"Thank you very much for this opportunity to find out the new truth. I am impressed by the life of the True Parents and their eternal toil. Thanks to this wonderful seminar, which like a puzzle, united all the historical moments, the incomprehensible mysteries. I understood many new things and I will insist on practicing them, giving true love to everyone."

From Annette:

"It was incredible from start to finish. It was a wonderful workshop. Every day I was so inspired and uplifted and refreshed and felt re-born. I am so grateful to all of you and so glad I could attend. It was a privilege and a daily experience of being with God and the incredible source of the DP. Our True Parents. You all brought such a wonderful gift to us every morning. Thank you just does not do justice to express how grateful I am. You all worked so hard. It was an incredible output of energy, deep wisdom, heart and care at each lecture. I have downloaded all the lectures also. Thank you very much for taking the time to do this. They are a precious store to have and watch at any time and with our family. God bless you all."

From other participants:

"Yesterday the lectures were truly great! Thank you Mr. Rainer."

"I am very grateful for the lecture on the World Wars. I could realize deeply how Heavenly Parent felt."

"We are so moved every day. Definitely God was talking through Giuseppe today. Something so deep in my heart was touched by his words. We realize how important is our responsibility today and the precious time we are living in."

"I felt how much challenges Heavenly Parents had to go through to send Jesus and how much have to be overcome in history. Despite of the difficult environment, Heaven broke through"

From Michael:

"I love the lectures of Mr. Crosthwaite. It's as if he was there during Jesus' course."

From Laurenc:

"I always had the Feeling that my understanding of Jesus, this precious person, is insufficient, and longed for more. The lectures on this 15-day workshop were so strong and deep, so much heartistic knowledge was shared by our lecturers Giuseppe Cali and Ashley Crosthwaite, conveying the REAL situation of Jesus. I hope for all followers of Jesus to one day come to this deep understanding, to realize the suffering of God and Jesus. Thank you very much!"
