With the start of a new year, we welcome a new leadership team to serve the adolescents of our community: Cha Eun Lall and Kieran Hoyte will serve as the HARP leaders. [Please find their message of greetings here...](#)

We all want to express enormous gratitude to Sam Shongwe and Mia Gardiner, who have both been taking primary responsibility of leading HARP until now. They concluded their leadership with the success of the recent winter HARP workshop, and although they have handed over most responsibilities to Cha Eun and Kieran, both Sam and Mia will continue to support HARP in diminished roles.

Thank you, Sam and Mia, for providing wholesome education and thoughtful fun for our teens, and for orchestrating everything in the background with sincere devotion and prayerful concern.

Hello to all parents of HARP UK members! We hope you have all be well over this festive period, and with the new year now here- we wanted to inform you all about a new change in directors in the coming year of 2021. Below are some introductions for you to get to know the team.

Hi everyone! My name is Cha Eun Lall and I am 23 years old. I have recently become part of the core staff team of HARP UK. It feels awesome to be a part of something that has been close to my heart since I myself was a HARP member, and it has long been a desire of mine to work with the UK youth. I look forward to being able to serve and give love to my younger brothers and sisters. Most of all I feel so much value in creating opportunities for my younger brothers and sisters to connect and experience God, and in helping them to carry on those important and very precious bonds within our BC and family community. 😊

Hello!! My name is Kieran Hoyte, I am 22 years old and I am grateful to be given the opportunity to work with our youth as part of the HARP core team. I have always been happy to support and help out in the past few years and am now excited to be able to contribute more directly to the development of HARP and our younger brothers and sisters. I have always appreciated how HARP has contributed to my growth and development as a young person, during my years as a HARP member, and would like to return some of that appreciation by providing opportunities for our young people to develop their life of faith and connect with the values that we uphold within our movement. I look forward to creating a bright future with you!!
